St. Joseph's B.N. Sr. Sec. School
Dhola Bhata, Ajmer

St Joseph's Bal-Niketan School (SJBN) was planted like a sapling in 1975 by late educationists Mrs. Matilda Baptist and Mr. John Baptist, which has grown into a big tree, located in nature's lap in a peaceful, calm and conducive atmosphere for learning, where individuality is closely knit, nurtured, trained and prepared to build an integral and responsible society. It is not easy to forget the twist and turns, and the ups and downs that has taken in my career since I assumed the office of the principal of this school. I have enrolled in the position of a teacher as my first job and there, the foundation for this profession was laid with the support of my pioneers. I learnt several things, discharged my duties in multiple roles, faced many adversities, challenges, tasted many bitter and sweet experiences in all the facets of day to day running of the school. I realized that difficulties in everyone's life don't come to destroy us, but to help us to realize our hidden potential on how to over-come it and make life meaningful. At this point of time the school is on its verge of celebrating its Golden Jubilee Closing Ceremony. I am very proud to be an integral part of this MILESTONE and am conscious of myself to discharge my responsibilities positively in a passionate way.

The school has done its best in bringing out the talents of each students in their character formation and personality development. The amazing success of our school and realization of its goal is made possible due to the constant support and co-operation of the esteemed parents, benefactors and well-wishers. I express my gratitude and appreciation to them for their selfless interest and support for the welfare of this institution. This souvenir intends to give a picture to the genesis of the school and also give some information to make it known to our readers. I am very grateful to all those who have contributed in the shape of messages and articles which make us jubilant and fortunate on this Golden Jubilee year. I salute everyone who did the co-ordination work of this souvenir as a memorable one for everyone's information and edification. May our school keep SERVING THE SOCIETY with the motto **"Knowledge gives humility - विद्या ददाति विनयम्"** as said by Lord Krishna in Bhagwat Geeta (Ch. 5 : 27-29) for many years as it journeys towards the Golden Year. May God bless each one of us to make this school a centre of excellence providing holistic education accordingly with the modern trends.

We ensure that our students are endowed with the most effective skills to face the challenges of life beyond school and that they contribute to society while working for their individual success. This exciting journey has been marked by a period of visionary planning, sustained hard work, exposition of talent and clear focus on our vision and mission. The collaborative efforts of our stakeholders continue to strengthen us and help our students become lifelong learners and leaders of tomorrow, equipped with the skills to learn and to adapt in an ever-changing world.

MAY GOD BLESS EACH ONE OF US, **JAI HIND**

MESSAGE

It gives me immense joy to learn that on the auspicious occasion of the Golden Jubilee, St. Joseph's Bal Niketan Senior Secondary School, Dhola Bhata, Ajmer is planning to bring out a Commemorative Souvenir to mark the great mile stone. At the outset, I extend cordial felicitations and Hearty Congratulations to the Management, Principal, Staff and students on the momentous occasion of the Golden Jubilee.

The great visionaries, Mrs. (Late) Matilda Baptist and Mr. John Baptist planted a tiny seed on 19th March 1975 that has grown up by leaps and bounds. The vision of providing high quality education to the underprivileged and marginalized children in the sub – urban areas has been achieved to a great extent over these 50 years. It is indeed commendable to note that St. Joseph's Bal Niketan School has provided quality education to thousands of students from underprivileged section in Ajmer, over these years and will continue its humanitarian service to the poor. All over Rajasthan and India parents are searching for such institutions where their children can get quality education at an affordable rate. I am proud to state that St. Joseph's Bal Niketan is one such institution where parents are flocking for admission of their children.

Golden Jubilee is an opportunity to reflect and plan the future course of action. As Science and Technology are advancing at the lightening speed and knowledge has no boundary, education has become the greatest challenge of the modern era. With internet facility and mobiles by their side, students have the whole world in their hands. At the click of a button, students can obtain answers for any query. Such being situation, the Principal and the staff have to burn midnight oil to provide adequate quality education to the students. They have to prepare the students to face the challenges of life in the future. While imparting knowledge, students have to be fortified with moral and ethical values. It is a daunting task to prepare the students to face the unknown future.

I highly appreciate the dedicated service rendered by the Principal, Mr. Rajesh Baptist. He has been a motivating factor to the staff and students. Being an able leader, he has been leading the staff, guiding them in their task and providing them with all that is necessary. I congratulate him for his commitment for the cause of education and welfare of the marginalized children. May the Flag of St. Joseph's Bal Niketan Sr. Sec. School, Ajmer fly higher and higher.

Message for the Golden Jubilee Celebration of St. Joseph's Bal-Niketan Sr. Sec. School, Dhola Bhatta, Ajmer

Dear Mr. Rajesh Baptist (Sunil),

It is with great joy and admiration that I extend my heartfelt congratulations to St. Joseph's Bal-Niketan Sr. Sec. School on completing 50 glorious years of excellence in education. This milestone is not just a testament to the institution's unwavering commitment to academic brilliance but also to the values of service, compassion, and empowerment that it has instilled in generations of students.

Since its establishment in 1975, the school has played a pivotal role in shaping young minds, particularly those from underprivileged backgrounds, offering them the light of knowledge and the power to dream. **The vision of the late educationists, Mrs. Matilda Baptist and Mr. John Baptist, continues to shine through the dedicated efforts of the teachers, staff, and administration.**

I am pleased to note that this institution continues to thrive under the leadership of Mr. Rajesh Baptist (Sunil), the son of Mr. John Baptist and Mrs. Matilda Baptist. Having been invited to many programs at the school, I have personally witnessed his hard work, dedication, and passion for carrying forward the legacy of excellence and service. His commitment ensures that the school remains a beacon of knowledge and opportunity for future generations.

On this auspicious occasion, I encourage all students and alumni to cherish the legacy of this esteemed institution and carry forward its ideals in their lives. May this Golden Jubilee be a moment of reflection, gratitude, and renewed commitment to the noble mission of education.

Wishing St. Joseph's Bal-Niketan Sr. Sec. School continued success and many more years of transformative education.

With warm regards, blessings and prayers

Golden Jubilee Blessings!

ON ST. JOSEPH'S BAL NIKETAN SR. SEC. SCHOOL

Hearty Congratulations and God's blessings on the Management, Staff, Students and well-wishers of St. Joseph's Bal-Niketan Sr. Sec. School, Dhola Bhatta, Ajmer, on the occasion of Golden Jubilee celebration of its existence. Fifty years is a long period of journey in thick and thin in education field. Late Mrs. Matilda and John Baptist had a vision for the future of the society that is defined by rich academic inputs, strong ethical and value system and fine character building in the students who have passed through the portals of St. Joseph's School. Moreover I am happy to know that Mr. John Baptist was himself was a noble teacher of St. Paul's School, hence all the more I feel proud to say the founders had passion in the field of education and the family legacy is kept alive by the successor their son Mr. Rajesh Baptist the present principal.

In the present scenario to run a private education institution is a challenging task because of the fast changing value system and other factors of life. In all these demanding era five decades of dedicated service to quality education is a remarkable achievement and success. I extol the tireless efforts of the management, staff and students and wish very best for the future accomplishments.

God bless you all. God bless St. Joseph's Bal Niketan Sr. Sec. School.

MESSAGE

I wish to express my heartfelt Congratulations to the Principal Mr. Rajesh Baptist, the Staff and Students of St. Joseph's Bal Niketan Sen. Secondary School, Dhola Bhatta, on the joyful occasion of the 50th Anniversary of the establishment of this Institution.

My deep appreciation and regards for the Vision the late educationists Mrs. Matilda Baptist and Mr. John Baptist had, when they founded the School in 1975, namely to provide education to the underprivileged and the marginalized young people of the place. Surely hundreds of students have benefitted much over the years, not only through the high quality of academic studies, but also through the Values that have been inculcated in them by the pioneering educationists.

Even today, the Institution seeks to promote the same Vision and Mission through the Value-oriented Education it provides. The legacy left behind by the late Baptists is kept alive and active!

May God continue to shower choicest blessings on this Institution that it may reap a harvest of joy each year ahead. As it sees many more young people pass through its portals, it will be the boast of the Institution, to have trained students not only to be intellectually capable, but also people of faith, honesty and sincerity, of kindness and compassion – good human beings needed to inspire the society today, as they work for truth and justice.

May this Mission continue with much zest and enthusiasm to give glory to God who alone works wonders in our midst. "A lamp was lit fifty years ago, may the Lord keep its flame alive and spread its light to all those in need".

With renewed sentiments of appreciation and felicitations,

Yours sincerely,

"Give thanks to the Lord, for He is good; His love endures forever." (Psalm 107:1)

It is with immense joy and gratitude that I extend my heartfelt congratulations to St. Joseph Bal Niketan Sr. Sec. School, Dhola Bhata, Ajmer, on the occasion of its Golden Jubilee. This remarkable milestone is not merely a celebration of years but a testimony to the grace of God, the dedication of countless individuals, and the enduring impact of education.

Fifty years ago, this institution was founded with a vision to impart not only academic excellence but also moral and spiritual values rooted in the teachings of Christ. Throughout the years, St. Joseph Bal Niketan Sr. Sec. School, has remained steadfast in its mission to nurture young minds, shape strong character, and cultivate a spirit of service among its students. This Jubilee is an opportunity to look back with gratitude, celebrate the present with joy, and move forward with renewed commitment.

At the heart of this institution's journey has been the unwavering faith of its founders, the tireless efforts of its teachers, the dedication of its staff, and the enthusiasm of its students. Generations have passed through these halls, equipped with knowledge, wisdom, and a sense of purpose. Many alumni have gone on to excel in various fields, carrying with them the values instilled during their formative years at St. Joseph Bal Niketan Sr. Sec. School. They are living witnesses to the transformative power of faith-based education.

In the years ahead, may this institution continue to shine as a beacon of light and truth. May it remain committed to fostering a spirit of excellence, compassion, and service to humanity. As we look forward to the next fifty years, let us entrust this school, its students, staff, and supporters into the hands of our Lord, praying that He may continue to bless and guide them in their mission.

Congratulations once again to everyone who has been a part of this incredible journey. May God bless St. Joseph Bal Niketan Sr. Sec. School abundantly, today and always!

शुभकामना संदेश

मुझे यह जानकर अत्यंत प्रसन्नता है कि सेंट जोसेफ बाल निकेतन सीनियर सैकण्डरी स्कूल, धोलाभाटा, अजमेर के 50 वर्ष पूर्ण (गोल्डन जूबली) होने पर पुस्तक का प्रकाशन किया जा रहा है।

इस पुस्तक में छात्र, छात्राओं द्वारा लेखन, कविताओं का संकलन किया गया है। साथ ही स्कूल प्रशासन द्वारा विद्यार्थियों के हित में किये गये नवाचारों का भी उल्लेख किया है। जैसा मुझे ज्ञात है कि विद्यालय के अध्यापक, अध्यापिकाओं द्वारा धोलाभाटा क्षेत्र के छात्र-छात्राओं को उत्कृष्ट स्तर की शिक्षा प्रदान कराई जा रही है।

मैं स्कूल परिवार के समस्त स्टाफ एवं प्रधानाचार्य जी को बधाई देती हूँ। जिनके प्रयासों से विद्यालय के 50 वर्ष पूर्ण होने पर पुस्तक का सफल प्रकाशन होने जा रहा है। इस श्रेष्ठ प्रकाशन के लिए मेरी ओर से हार्दिक शुभकामनाएं प्रेषित करती हूँ।

यह अत्यन्त हर्ष का विषय है कि दिनांक 18 से 20 जनवरी 2025 को सेन्ट जोसफ बाल-निकेतन सीनियर सैकण्डरी स्कूल द्वारा अपनी स्थापना की 50वी. वर्षगांठ मनाई गई, उसके लिए वास्तव में शाला प्रमुख बधाई के पात्र है।

मुझे जानकर हर्ष का अनुभव हो रहा है कि शाला की स्थापना 19 मार्च 1975 में हुई तथा शाला विगत 50 सालों में अपने क्षेत्र में उच्चतम शिक्षा का प्रचार प्रसार कर रही है। इस अवसर पर जो स्मारिका का प्रकाशन होने जा रहा है, जिसमें शाला के इतिहास, उपलब्धियों एवं भुतपूर्व विद्यार्थियों की स्मृतियों का समायोजन होगा, यह निश्चित रूप से सराहनीय प्रयास है।

मैं शाला के सभी पूर्व एवं वर्तमान विद्यार्थियों के उज्ज्वल भविष्य की कामना करता हूं तथा शाला प्रशासन, गुरुजनों एवं कर्मचारियों को शाला के स्वर्ण जयंती वर्ष की शुभकामनाएं प्रेषित करता हूं।

Subject: Heartfelt Congratulations on Your Golden Jubilee

Dear Mr. Baptist,

It is with great admiration and deep respect that I extend my warmest congratulations to Saint Joseph's Bal Niketan, Ajmer, on completing 50 years of dedicated service to education. A Golden Jubilee is not merely a milestone in time but a profound testament to an institution's enduring commitment to shaping young minds, fostering values, and nurturing the future of our nation. At the heart of this institution's legacy stand its visionary founders, the late Mr. John Baptist and the late Mrs. Matilda Baptist, whose selfless dedication and tireless efforts laid the foundation for a school that has become a pillar of learning and opportunity. Their vision—rooted in the belief that education is the most transformative force in society—continues to resonate in the corridors of Saint Joseph's Bal Niketan, where knowledge, integrity, and character are nurtured with unwavering devotion. Over the past five decades, this institution has been more than a place of learning; it has been a sanctuary of hope, a beacon of progress, and a testament to the power of education in shaping lives. Through its dedicated educators and leadership, the school has provided countless students with the tools to rise above challenges, embrace their potential, and contribute meaningfully to society. As Saint Joseph's Bal Niketan embarks on its next chapter, I am confident that its legacy of excellence will only grow stronger. May this Golden Jubilee be a moment of reflection, celebration, and renewed commitment to the noble mission of education. I extend my heartfelt best wishes to you, the faculty, students, alumni, and everyone who has been a part of this remarkable journey. May the institution continue to illuminate paths and build futures for many generations to come. With my highest regards and best wishes

MESSAGE

Dear Sir,

I am glad to note and convey my heartily congratulation to the Management and Mr. Rajesh Baptist, Principal of St. Joseph's B.N.Sr. Sec. School, Dhola Bhata Ajmer for the celebration of its Golden jubilee. A three days long celebration with cultural performances, discipline, decoram reflecting the past events. I wish God's Blessings in abundance on this institution that it continue to impart quality education and integral formation to the young.

The history of the past 50 years of the St. Joseph's School is marked by remarkable achievements with the vision and mission of the founder late Mrs. Matilda Baptist. Today it stands as one of the top schools in Ajmer.

Thank the Lord for the numerous blessings. He has showered upon this institution and the manifold accomplishments and accolades it has gathered. I take this opportunity to congratulate once again to the principal, members of the staff, students and parents for taking this institution to the zenith of its glory. I feel proud to hear that thousands of young children enter the portai of this temple of learning and leave it as enlightened and refined persons after their educational sojourn here. Today they shine like jewels in society as responsible global citizens.

It was my pleasure to be invited in the Golden Jubilee function as special guest and witnessed the talented and enthusiastic experienced Principal, teachers and student community who were always ready to take up any challenge that presented itself. I also appreciate parents who were ever obliging to cooperate and walk with the institution to ensure the best for their wards. May the Josephiets ever shine as icons of righteousness and excellence in every field of life and become assets to the society and our nation. May we continue to strive towards meaningful education for God and the country.

Best Regards
With my prayer and wishes,

"Dear Mr. Rajesh Baptist,

I am thrilled to know that your school is going to celebrate its Golden Jubilee this year. I still remember the inauguration ceremony of this grand event on 19th March 2024, which was held in collaboration with Sarvadharm Maitri Sangh. It was a great privilege for me to meet your revered father, Late Shri John Baptist, who was a renowned educationist. The mission work initiated by him and your mother, Late Smt. Matilda Baptist, in the field of education in 1975 is a beacon of hope for the society.

The foundation of St. Joseph School was laid with a vision to provide education to the students of backward and middle-class families of Dhola Bhata and Near by area, which is a remarkable achievement in itself. It's rare to find someone who can think of such a noble cause. You are fortunate to have had the guidance of your parents and to have joined this mission at a young age, carrying forward the legacy of your parents.

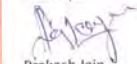

Thank you once again for your remarkable work.

"I have had the privilege of attending several festivals and annual events at your school as a chief guest or guest, and every time I have witnessed the growth and progress of your institution. From the perspective of academic results and overall development of students, I would like to extend my heartfelt congratulations to you, your family, and the entire school staff on this Golden Jubilee celebration.

I pray to the Almighty that you, your family, and your staff will continue to carry forward the legacy of your parents and take the mission of education to new heights. May the flag of St. Joseph School always fly high.

With these good wishes, I, Prakash Jain, President of Sarvadharm Maitri Sangh, Ajmer, and your elder brother, send my congratulations to you. May God bless you, your family, and your school.

Thank you."

सन्देश

क्रिश्चियन माइनॉरिटी और समाज के वंचित वर्ग को समर्पित आपके स्कूल की 50वीं वर्षगांठ के इस विशेष अवसर पर, मैं स्कूल परिवार को हार्दिक शुभकामनाएं और बधाई देता हूँ। इस संस्थान ने पिछले पांच दशकों में समाज के कमजोर और वंचित वर्ग के बच्चों के लिए शिक्षा का दीप जलाया है। आधी शताब्दी पहले मिसेज मटिल्डा बैप्टिस्ट और मि. जॉन बैप्टिस्ट ने जिस विजन के साथ इस स्कूल की नींव रखी थी, आप सभी के प्रयासों से वह विजन साकार हो रहा है।

जो बच्चे सामाजिक और आर्थिक दृष्टि से पिछड़े हुए हैं, उन्हें यह विद्यालय अपने ज्ञान, संस्कार और आत्मविश्वास से सशक्त बना रहा है। यहां के शिक्षक-शिक्षिकाओं ने हमेशा विद्यार्थियों को केवल शैक्षिक ज्ञान ही नहीं, बल्कि जीवन के मूल्य और नैतिक शिक्षा भी दी है।

पिछले 50 वर्षों में इस विद्यालय ने अनेक बाधाओं को पार करते हुए, समाज में शिक्षा के प्रति जागरूकता बढ़ाई है और वंचित वर्ग के बच्चों को उत्कृष्ट शिक्षा प्रदान की है। यह संस्थान न केवल शिक्षा की दिशा में योगदान दे रहा है, बल्कि समाज में समानता, भाईचारे और न्याय की भावना को भी बढ़ावा दे रहा है।

आज इस विशेष दिन पर हम सभी को यह याद दिलाना चाहिए कि शिक्षा का उद्देश्य केवल ज्ञान देना नहीं है, बल्कि समाज में सुधार और विकास की दिशा में योगदान करना है। इस विद्यालय के 50 वर्षों का सफर प्रेरणादायक है और आने वाले समय में यह और भी नई ऊंचाइयों तक पहुंचे, ऐसी मेरी शुभकामनाएं हैं।

धन्यवाद।

Celebrating the Educational Legacy of Late Shri Satyanarayan Saroj

Late Shri Satyanarayan Saroj's enduring legacy is profoundly marked by his unwavering commitment to education. His philanthropic endeavors have significantly impacted the academic journeys of numerous students, fostering a culture of excellence and motivation.

Establishment of Scholarships and Running Trophy

In memory of his beloved wife, who passed away in 2018, Shri Saroj instituted a scholarship and a running trophy to honor the highest-scoring students in senior secondary and secondary board examinations. This initiative not only alleviated financial burdens but also inspired students to strive for academic excellence. Notable recipients include:

2017-18: Naitik Hassani (12th Commerce) – 89.9%

2018-19: Harsha Gehlot (12th Arts) – 87%

2019-20: Teena Rajoriya (12th Science) – 82%

Continuation of the Legacy Posthumously

Following Shri Saroj's demise in February 2022, his commitment to education has been steadfastly upheld. The running trophy continues to be awarded, with recent honorees being:

2021-22: Sagar Gurjar (10th Grade) – 95%

2022-23: Janhavi Mourya (10th Grade)

2023-24: Ekta Rawat (12th Arts) – 95%

Impact on the Educational Community

Shri Saroj's benevolence extended beyond awards; he actively participated in school events, offering mentorship and encouragement. His initiatives have cultivated an environment where academic achievement is celebrated and aspired to, leaving an indelible mark on the educational community.

Through these enduring contributions, Shri Satyanarayan Saroj's legacy continues to illuminate the path of countless students, embodying the transformative power of dedication to education.

Golden Jubilee of Our School

**"Today, we gather in golden light,
A moment cherished, shining bright.
Our school's journey, a tale so grand,
Built with love, by many a hand."**

Today marks a historic milestone in the journey of our beloved school—a journey illuminated by knowledge, discipline, and unwavering dedication. This celebration is not just about commemorating fifty glorious years; it is about honoring the pillars that built this institution—our esteemed teachers, dedicated students, supportive parents, and all those who have been an integral part of this remarkable family.

A Legacy of Excellence and Discipline year after year, our school has flourished, shaping young minds, nurturing dreams, and setting new benchmarks in education. As we celebrate this Golden Jubilee, we take immense pride in the fact that our institution has played a crucial role in transforming lives. With the love and support of our alumni and the relentless efforts of our faculty, today stands as a testament to our legacy.

For the past 50 years, our school has not only imparted knowledge but has also instilled moral values, fostered creativity, and encouraged excellence in every field. Be it academics, sports, cultural activities, or social service, our students have excelled, making us proud with their achievements.

Through their talent, hard work, and perseverance, they have brought glory to our school. This institution has always believed in nurturing individuals who not only succeed in their careers but also contribute positively to society.

**Once, these doors stood silent and still,
A vision was born, a dream to fulfill.
Brick by brick, with love and grace,
We built a home, a learning space."**

Today, as we look back, we realize that our success is the result of the unwavering trust, love, and cooperation of our teachers, students, and parents. This school stands tall on the pillars of education, discipline, and unity. As we move forward, we remain committed to empowering our students, preserving our values, and embracing new heights of excellence. Education is not just about personal growth; it is about uplifting society as a whole. You, dear students and well-wishers, are our greatest inspiration and strength. Let this celebration be a reminder to always strive for knowledge, wisdom, and compassion. With heartfelt gratitude, I extend my warmest wishes to each member of this institution. May our school continue to shine for generations to come!

Message

After serving St. Anselm's Sr. Sec. School, Ajmer for 32 years as lecturer in Geography and Social Science, I retired in 2018 and 2022 joined St. Joseph's Bal Niketan S.S. School, Dhola Bhata as a part time Geography and Social Science faculty.

The school is efficiently run under able leadership of Mr. Rajesh Baptist, the Principal who takes personal care of each student.

The School runs in cosy and eco- friendly environment and serves the students of middle class families who want to excel in studies and games and unable to afford expensive education.

This school is blend of excellent education and games getting equal attention. Students have holistic approach towards studies as well as games and have been doing well in intellectual and spiritual development since last 50 years. I find a dedicated staff and well disciplined students, generally not common these days.

My congratulations to the Baptist family for their dedication towards education and foresightedness for the need of the society. My good wishes for your future endeavours.

God bless you all

Head Master Primary - A Message

Dear Students and Parents,

Heartiest congratulations to all of you as our school completes its glorious 50 years (Golden Jubilee). From 1975 to 2025, the school has witnessed many ups and downs.

The school administration has been continuously striving for progress, with the goal of ensuring the overall development of students. On August 3, 1993, the school received recognition for the secondary science stream, and keeping students' needs in mind, the administration arranged the necessary resources for the science department. In 1997, the school also received recognition for the commerce stream. Thus, the school has been steadily progressing.

To maintain academic excellence, the school administration has implemented various innovations. The administration has also provided scholarships to meritorious students to support their academic growth. In 1988, the school awarded scholarships as prizes to outstanding students.

In 1992, the administration made computer education mandatory for all students, enhancing their technical skills. Since 1997, the school has been organizing an annual science exhibition, fostering a scientific mindset among students.

Students from our school have participated in various national and international competitions, bringing pride and recognition to the institution. In 1994, the 12th-grade results were 100% successful.

Our students have also excelled in various sports competitions. In 2023-2024, the school set a remarkable record by winning 19 out of 17 medals in state-level sports tournaments.

This success is the result of the hard work of our dedicated teachers and students. The school administration remains committed to the holistic development of its students.

The school's objective is not just to achieve academic excellence but also to instill moral values in students. Education should not be limited to books alone; it should also contribute to character-building.

With the cooperation of parents, the administration aims to take the school to greater heights.

On this occasion, I extend my best wishes to all students, teachers, and parents and urge everyone to continue supporting the school's progress.

Message from Vice Principal

A Journey of Faith, Growth, and Gratitude

My journey at St. Joseph's Bal Niketan Sr. Sec. School, Dhola Bhata, Ajmer began in 1998 when I joined as a Class VI teacher. Teaching English was a joy, but explaining it through Hindi was a challenge, as I had studied in an English-medium environment. However, with perseverance and support, I adapted and grew. Today, I proudly teach English to Class 12 students, a role that brings immense fulfillment.

Over the years, I have taught almost all subjects except Hindi and Sanskrit, which allowed me to grow both professionally and personally. In 2011-12, I was made part of the administrative staff of the secondary section, a milestone in my career. In 2013, I was honored as the Best Teacher by Jila Pramukh Sushila Kanwar Palada in Pushkar, a recognition that remains close to my heart.

The constant guidance of Badi Ma'am and Bade Sir helped me navigate every challenge. Their encouragement strengthened my confidence and shaped my journey. The passing of Badi Ma'am was a profound loss, but being honored with the title of Badi Madam after her demise was an emotional and humbling moment for me. It was a reminder of her faith in me and my responsibility to carry forward her legacy.

One of the most rewarding aspects of my career has been discovering my own talents. Our school provides ample opportunities to perform, mentor students, and develop leadership skills. As a once introverted student, I transformed into a speaker, a performer, and a leader.

The appreciation, support, and trust I have received have been invaluable. I am forever grateful to this institution for shaping my path. With a heart full of gratitude, I thank the Almighty for blessing me with a fulfilling career. This school is not just my workplace—it is my home.

Message from the Academic Coordinator desk

This academic year has been a journey of growth, focused on academic excellence and creativity. With the support of our dedicated staff, parents, and management, we have nurtured confident and capable students. As we look to the future, I encourage our students to continue striving for excellence in all areas of life.

In my role as Academic Coordinator, I work to maintain high educational standards and create an enriching learning environment. I collaborate with teachers, administrators, and parents to ensure continuous improvement and academic success. I am committed to supporting students' progress through regular assessments and interventions, fostering a school culture focused on inclusivity and holistic development.

I am grateful to our teachers, parents, and school management for their continued support, which has been integral to our achievements. I look forward to further success and growth in the coming years.

एक संदेश एलुमनाई के लिए

एलुमनाई एसोसिएशन के अध्यक्ष के रूप में, मैं अपने प्रिय स्कूल के सौवेनियर के लिए यह संदेश लिखने में सम्मानित महसूस कर रहा हूँ।

हमारा स्कूल हमारे जीवन का एक महत्वपूर्ण हिस्सा है, जहां हमने अपने सपनों को आकार दिया, अपने मित्रों के साथ अनगिनत यादें बनाई, और अपने शिक्षकों से ज्ञान और मार्गदर्शन प्राप्त किया।

जैसे ही हम अपने जीवन के विभिन्न पड़ावों पर आगे बढ़ते हैं, हमारा स्कूल हमेशा हमारे दिलों में एक विशेष स्थान रखता है। यह सौवेनियर हमारे स्कूल की यादों को संजोए रखने का एक सुंदर तरीका है, और मुझे उम्मीद है कि यह आपको हमेशा अपने स्कूल के प्रति गर्व और प्रेम की याद दिलाएगा।

मैं अपने सभी एलुमनाई मित्रों को शुभकामनाएं देता हूँ, और मुझे उम्मीद है कि हम सभी अपने स्कूल की परंपरा को आगे बढ़ाते रहेंगे और अपने जीवन में सफलता और खुशी प्राप्त करेंगे।

धन्यवाद।

मेरी कहानी, मेरे अनुभव शाला परिवार के संग

नमस्कार, प्रिय विद्यार्थियों एवं अभिभावकों,

मैं महेन्द्र कुमार कोमल अध्यक्ष, (अभिभावक-अध्यापक संघ), मैं अपना अनुभव व विद्यालय से मिले प्यार व सम्मान बड़े हर्ष के साथ सांझा करने जा रहा हूँ। मनुष्य जीवन में विद्यालय परिवार का महत्व बहुत बड़ा है। विद्यालय परिवार वह परिवार है जो हमें माता-पिता व दादा-दादी से मिले संस्कार के बाद, हमें पढ़ाई के साथ-साथ उठना-बैठना, अच्छे-बुरे के बारे में छोटे बड़ों का सम्मान, गुरुजनों का सम्मान एवं दैनिक जीवन व विद्यार्थी जीवन में अनुशासन का महत्व बताते व सिखाते हैं।

मैं पिछले 10 वर्षों से 6-7 विद्यालयों में भामाशाह के रूप में जुड़ा हुआ हूँ परन्तु जो मान-सम्मान मैंने पिछले 2 वर्षों में सेन्ट जोसफ परिवार से पाया है वह बेहद ही सम्मानीय है। मुझे हमेशा इस संघ के प्रतिनिधि के रूप में गुरुजनों व बच्चों का प्रेम व समर्थन मिला है। प्रिंसीपल सर का जो हर बच्चे में कुछ न कुछ अच्छा करने की प्रेरणा देते रहते हैं और उस टैलेंट को परखने के बाद सर मंच पर लाते हैं, जो कि बच्चों के साथ-साथ उनके माता-पिता के लिए भी बहुत बड़ी बात है क्योंकि पिछले साल जो कि शाला का स्वर्ण जयन्ती वर्ष था व विद्यालय को 50 वर्ष पूर्ण होने जा रहे थे यह मेरे लिए सम्मान की बात है कि मैं उस वर्ष संघ के प्रतिनिधि के रूप में सामने आया साथ ही 2024-25 बैच में मेरे बेटे अविनाश कोमल को हैडबॉय बनने का अवसर मिला व शाला के हैडबॉय, हैडगर्ल, हाउस केप्टन व छात्र परिषद ने बहुत ही शानदार तरीके से अपनी जिम्मेदारी को बेखुबी निभाया। सभी गुरुजनों व बच्चों के बीच संतुलन बनाये रखा, चाहे वो शाला का कोई भी कार्यक्रम हो। जब विद्यालय के यूथ फेस्टिवल व स्वर्ण जयन्ती पर आये हुए अतिथिगण, सभी गुरुजन व पूर्व छात्र, सभी ने स्टुडेंट काउंसिल को सराहना दी जिसके वे हकदार थे और यह सब हुआ प्रिंसीपल सर के विश्वास, सभी गुरुजनों व बच्चों के प्यार की वजह से। यह साल हमेशा स्मृति के रूप में याद रहेगा क्योंकि यह वर्ष शाला के 50 वर्ष पूर्ण करने जा रहा है और इस वर्ष में अभिभावक संघ का अध्यक्ष व मेरे बेटे को हैडबॉय बनने का सौभाग्य प्राप्त हुआ। यह वर्ष मेरी जिन्दगी के उन यादगार सालों में जुड़ा जिन्हें मैं हमेशा याद रखूँगा।

ख्वाहिश नहीं थी मुझे मशहूर होने की पर,
सेन्ट जोसफ परिवार ने मुझे चेहरे से पहचान दिला दी,
पहचान दिला दी
आप सदा मस्त रहें, व्यस्त रहे, स्वस्थ रहे।

School Moto
शाला का आदर्श वाक्य

विद्या ददाति विनयम्
विद्या एक संस्कृत शब्द है जिसका अर्थ है "ज्ञान",
"स्पष्टता" या "उच्च शिक्षा"।
विद्या (मनुष्य को) विनम्रता देती है अर्थात विनम्र
बनाती है।
विनय से (मनुष्य) योग्यता को प्राप्त होता है।
विद्या से ही मनुष्य में मनुष्यता आती है और
मनुष्यता की पहचान व्यक्ति के चरित्र से होती है।
इस श्लोक का यही भाव है कि जीवन में सुख का
आधार विद्या है।
अतः मन लगाकर अनुशासित रह कर विद्या ग्रहण
करना चाहिए।

Unleashing the Spirit of Sports: A Year of Triumph and Teamwork

The sports session for 2024-25 at our school kicked off with immense enthusiasm, bringing together students in a display of energy, dedication, and competitive spirit. The much-anticipated Cross Country Race, held on 13th July, set the tone for the season with remarkable performances across various categories. In the sub-junior division, Raghav of Mehrangarh House and Manvi Verma of Chittorgarh House claimed the top spots in the boys' and girls' categories, respectively. The junior category saw Devansh Dhalwal from Kumbhalgarh House emerge victorious among the boys, while Nisha from Mehrangarh House dominated the girls' race. In the senior section, Gajanand Rao of Kumbhalgarh House secured first place in the boys' category, while Harshita Mahawar of Ranthambore House triumphed in the girls' division. To encourage participation, students finishing in the tenth position were also rewarded for their perseverance and effort.

Following this, the inter-house competitions commenced on 17th July with an exciting lineup of sports, including Volleyball, Dodgeball, Cricket, Futsal, Chess, and Carrom. The Dodgeball competition, held on 31st July, saw Kumbhalgarh House clinching victory in the junior section, while Ranthambore House dominated the senior category. On the same day, the primary school Chess competition witnessed a stellar performance by Mamta Gothwal of Kumbhalgarh House, while the Carrom singles event was won by Lavin Lohiya of Kumbhalgarh House. The Carrom doubles match was equally intense, with Dharmesh Gora and Pratush Patna of Chittorgarh House emerging victorious. The secondary school Dodgeball competition, also held on 31st July, ended with Kumbhalgarh House taking the junior section title and Ranthambore House securing the senior section win.

The thrill continued with the Satoliya and Dodgeball competitions for the primary section on 20th July, both of which were claimed by Ranthambore House. In the secondary section, the Satoliya competition witnessed Chittorgarh House taking the junior title, while Mehrangarh House won the senior division. The excitement carried forward to 24th

August with the Futsal competition, where Mehrangarh House triumphed in the junior section, while Kumbhalgarh House secured the senior title. The season concluded with the much-anticipated junior section Cricket competition on 20th September, further igniting the spirit of teamwork and sportsmanship among students.

Throughout the season, the school grounds echoed with cheers, determination, and an unwavering passion for sports. These competitions not only showcased the athletic prowess of our students but also fostered values of discipline, perseverance, and team spirit. The sports session of 2024-25 will be remembered as a celebration of resilience, dedication, and the unbreakable bond of sportsmanship that unites us all.

Ranthambore House: A Legacy of Strength and Unity

Ranthambore House has had an eventful and remarkable year, filled with significant achievements and memories that we will cherish forever. With the spirit of unity, determination, and perseverance, Ranthambore House has lived up to its legacy, bringing out the best in every member and showcasing their talent across multiple events.

Initiation Ceremony.

The year began with the highly anticipated initiation ceremony, where the newly appointed House Captain, **Yashi Chouhan**, and Vice-Captain **Rishikesh Meghwanshi**, took an oath of responsibility. Both were presented with their house badges and sashes by the Principal, marking the beginning of a year filled with leadership, teamwork, and dedication. The ceremony set the tone for what was to come and filled us all with pride and motivation.

The house in-charges for Ranthambore House were **Mr. Jitesh Sharma**, **Ms. Divya Sharma**, and **Mrs. Chanchal Bagdi**. Their support, guidance, and encouragement were invaluable throughout the year, helping us achieve what we did.

Sports Events

Our juniors have shown exemplary performance across a range of sports events, highlighting their excellence and sportsmanship.

Dodgeball: The senior team secured 1st position in the inter-house Dodgeball tournament, bringing glory to our house.

Volleyball: Our senior also claimed victory in the 1st position for the inter-house Volleyball tournament.

Futsal: In the senior our house emerged victorious in the futsal Inter-House Tournament, securing 2nd position. Additionally, We also participated in numerous other sports events, including Carrom, Chess, and the Cross Country Race.

Cross Country Race: A special mention goes to Harsita Mahawar of class 10th, who came in 1st place, Yashi Chouhan of class 12 (A) got 3rd position in the senior girl section and Paridhi of class 7th got 1st position in the junior girl section of the Cross-Country Race, showing remarkable endurance and strength.

Carrom and Chess : A special mention goes to Manav Verma of class 11th who come in 1st place in chess. And Yesh Sen and Mayank Jotiyana of class 6th got 1st position in carrom double 9 (Junior)

Our juniors also excelled in the semi-finals of various sports events, highlighting their talent and passion for the house.

Final Words

As House Captain and Vice-Captain, it has been an honor to lead such a talented and motivated group of individuals. The achievements of Ranthambore House this year are a result of the collective efforts, passion, and enthusiasm of each member. We are proud of every individual who contributed to the success and spirit of the house.

Together, we have made lasting memories, and we look forward to continuing the legacy of Ranthambore House in the years to come.

“A YEAR OF CULTURAL EXCELLENCE” *CHITTORGARH HOUSE*

In the beginning of session 2024-25 which is THE GOLDEN JUBILEE YEAR of our school, four new houses were created in the name of historical forts of India and the names of the houses are: CHITTORGARH HOUSE, KUMBHALGARH HOUSE, RANTHAMBORE HOUSE and MEHRANGARH HOUSE. All the students from class nursery to XII were divided in these houses and incharges of each house were also made. Mrs. Krati Kaushik, Mrs. Teena Bhati and Mrs. Tanu Shrivastava were the dedicated incharges of the house. Then the leaders were elected and for Chittorgarh house Tinesh Hinuniya was elected as a captain with great majority and Nimisha Dhalwal was elected as vice captain. First event of the session was initiation ceremony in which captains of all the houses were felicitated by badges and sashes of their houses by our dearest principal. Then just after that the sports tournaments and cultural programs began. The house members have shown dedication and teamwork in both cultural and sports events. First event was Cross country race in which our students performed very well and few of them got positions as well in sub junior, junior and senior groups. So far our house has actively participated in various sports events including Futsal, Dodgeball, Volleyball, Satoliya.. The junior team excelled in Satoliya, winning the Junior Inter-House Satoliya competition. In Dodgeball and Volleyball competitions, our house reached in finals. While the senior team couldn't win but showed immense enthusiasm and hardwork. In other indoor events such as Carrom and Chess, house maintained a strong presence with a number of semi finalist positions..Later in the youth fest of our school, house achievements were unbreakable, where the house displayed exceptional talent. In PPT- making competition, Tinesh Hinuniya and Ashutosh Komal both secured first position. In the debate competition, Nimisha Dhalwal secured first position. In Dance competition, Divine Dancers of the house secured first position in Group Dance category and secured both first and second position by Manyata and Nimisha Dhalwal respectively. In Solo Dance category. In Song competition house group Stage revolutionaries secured second position in Group Singing and third position by Mokshik Yadav in Solo singing. In Skit competition, our house group named Spotlight players once again shone, claiming first position. Apart from youth fest some activities also held in our school like Radha Krishna bano, Rakhi making and Declaration competition in which our house performance was very well. In Rakhi making competition our house secured both 1st and 2nd position. 1st position was secured by Lakshita Chouhan and 2nd position was secured by Khushal Singh and in Declamation competition Nimisha Dhalwal secured 1st position. Chittorgarh House's journey this year has been one of growth, teamwork, and achievements. The collective efforts of all the house members along with the guidance of the in-charges has led to various successes. We both Captain and Vice Captain of the Chittorgarh House, like to thank the Principal of our school for giving us this opportunity to lead the house in this golden year and the incharges of our house for believing in us.

This year our house won General Cultural Championship

Academic Report Over All

From Academic Co-ordinator's Desk

Education is the beacon that illuminates the path to growth, innovation, and transformation. This academic year has been an inspiring journey of intellectual pursuits, unwavering dedication, and remarkable achievements. With a steadfast commitment to nurturing curiosity, critical thinking, and a passion for learning, our institution continues to empower young minds to realize their fullest potential.

In this section, we proudly celebrate the extraordinary accomplishments of our students in academics and beyond. These triumphs are not merely milestones but a reflection of their resilience, ambition, and the tireless guidance of our educators. Each success story is a testament to the harmonious synergy between students, teachers, and parents, as we collectively strive to shape leaders, thinkers, and visionaries for a brighter tomorrow.

42 students of Arts, Commerce and Science streams appeared in senior secondary board examination Ekta Rawat of arts stream topped the school and stood first with an aggregate 95% marks

Sagar Gurjar topped in the science stream scoring 93% and made second position among the students. From commerce faculty Nihal Tanwar scored 83.80% marks and made his place.

Nearly 13 students from all the three streams secured 75% above marks

In secondary board examination 2024, 40 students appeared. From among them Nimisha Dalwal secured

93% marks and made a prominent place. At Second place Dishant Sogara scored 89.83%. Three students secured more than 75% in the board examination

Besides these 8th and 5th class board result went 100%. Along with the blessings of the Almighty, the teachers' hard, sincere and dedicated work helped them to go through success in the life.

We have a proud privilege of being one of the best schools in Ajmer in the field of education. It has been exciting 2023-24 for the institution as transforming our future that is the celebration of the golden jubilee in the month of January 2025. This is all because of the grace of The Almighty and the guidance of Saint Joseph's the patron of a school that we achieved good results in all the classes specially the secondary and senior board classes. It sets new landmarks of excellence in academics, sports discipline and leadership. It is a Journey of dedication, discovery and Triumph where our students have risen to every challenge with unwavering determination and

passion

The school was set up in the year 1975 with only primary section, in year 1992 it became secondary and in the year 2004-2005 our school became senior secondary with Arts, Commerce & Science department. Later on school has taken additional English Medium affiliation from Board of Secondary Education Rajasthan.

The day starts with the assembly which included national song, both Hindi and English prayer, thought of the day, news reading story, GK questions, national anthem to create a sense of unity and communal harmony which enable students to a harmonious classroom atmosphere.

English labs have been set up to impart knowledge to the students about English language and to develop writing, listening and pronunciation skills.

Smart classes have been installed so that children who are not taking keen interest in studies can be taught through the smart classes so that they may develop interest towards the subject and understand their concepts clearly.

The main ambition of the school is to focus on each and every student mining out their ideas from each one, the main Motto of AURUM

Discipline is the most important quality of the school without which nothing is possible. The guidance and the motivation given from time to time by the principal to the staff members makes the work go very smoothly.

PTA (Parents Teacher Association) meeting also conducted on 1st Saturday of each month so that the bonding between teacher, student, and parent becomes strong. These meetings allow the parents to discuss about their ward's progress or problems, they give suggestions for the betterment of their child and all-around development.

Our school's first batch of class LKG started in 1975, 1982 the class 5th was reached. On first July 1990, 8th class was formed. Scholarship and Felicitation Ceremony of XII (Arts) Toppers by Batch 2006-07 Alumnus

I, Praveen Saini, an alumnus of my school, St. Joseph Bal Niketan, Arts Faculty, batch 2006-07. When I started studying in my school in April 2019, the thought of doing something for the school and its students came to my mind. Then I and my classmates Dhaneshwar Singh Chauhan, Hemant Chauhan together started a scholarship program for the students of Arts Faculty in our school from the year 2022-23. Under this, students securing more than 75% marks in the board examination in Arts Faculty are awarded with a memento, the student securing the highest marks is awarded with a Running trophy and the student securing more than 90% marks is awarded with a cash prize of Rs 1100/-. This felicitation ceremony is organized every year on the occasion of Independence Day on 15 August. Firstly, in the year 2022-23, student Bhumika Rathore, who stood first in the Arts Faculty, was honored with a memento for securing 83.80% marks and Running trophy and other students were also honored with mementos in the year 2023-24, Ekta Rawat was honored with a cash prize of Rs 1100/-, Running trophy and memento for securing 95% marks and other students were also honored with mementos. My request to all the students is that you should take admission in Arts stream in maximum numbers and score maximum marks in the board exams so that we get the opportunity to honour maximum number of students. We will provide these services till our last breath and we expect that every year students will try to give good results in the board exams, I wish you a bright future.

Best wishes to all of you.

Brief Report for the Academic Year 2024-2025 Primary Section

Introduction Since our establishment in 1975, St. Joseph Bal Niketan Sr. Secondary School has focused on fostering academic excellence, holistic development, and leadership. As we celebrate our Golden Jubilee, our commitment to creating a nurturing environment for young minds continues to guide our efforts.

Primary Section Overview The academic year 2024-2025 in the Primary Section has been marked by significant growth. Our infrastructure improvements, including modern classrooms, digital learning tools, and engaging spaces, have supported the development of critical thinking and creativity. With a 100% success rate in the Vth board exams and top grades across subjects, our emphasis on innovative teaching methods, extra-curricular activities, and strong parent-teacher collaboration has resulted in a well-rounded educational experience.

Curriculum and Teaching Methods Our approach to education goes beyond academics, promoting both intellectual and physical growth. We introduced smart boards, trampolines, slides, and swings to enhance interactive learning and physical activity. Students engaged in project-based learning, formative assessments, and remedial classes, ensuring individual progress.

Key Focus Areas

Reading & Writing: Significant improvement in reading skills and writing through creative projects.

Behavioral & Social Development: Emphasis on respect, responsibility, and teamwork led to a positive and harmonious classroom environment.

Morning Assembly Morning assemblies fostered discipline, punctuality, and unity through prayers, mantras, and thought-of-the-day reflections. They also served as a platform for announcements and celebrating achievements.

Parent-Teacher Engagement The successful Parent-Teacher Meetings and PTA events facilitated strong collaboration

between parents and teachers, ensuring holistic student development.

No Bag Day Activities and Special Days Events like No Bag Days, Color Day, Movie Day, and others encouraged physical activity, creativity, and collaboration. Celebration like Teacher' Day, Guru Purnima, and festivals like Diwali and Christmas further enhanced the students' learning experiences.

Field Trips

Ajmer Trip (February 16, 2024): Students explored Ajmer' historical sites, enhancing their learning through hand-on experiences.

Pool Picnic (October 16, 2024): The picnic focused on physical activity, teamwork, and creating lasting memories.

Reflecting on the achievements of 2024-2025, we remain committed to nurture students who are not only academically accomplished but also socially responsible. As we celebrate our Golden Jubilee, we recognize the contributions of our teachers, parents, a staff, who have made these successes possible.

2024-2025 academic year was a journey of growth and achievement. I thank the teaching staff, parents, and management for their unwavering support. As we move forward, we will continue to inspire our students to pursue excellence and contribute positively to society.

Best Regards,
Mrs. Anjana Sharma

A Year of Excellence: Celebrating Culture, Tradition, and Milestones

A Year of Excellence: Celebrating Culture, Tradition, and Milestones

The academic session 2024-25 at St. Joseph's Bal Niketan Sr. Sec. School, Dhola Bhata, Ajmer, was filled with leadership, creativity, and cultural achievements. The year began with the Investiture Ceremony on 20th July, where Master Avinash Komal and Miss Sneha Singh took charge as Head Boy and Head Girl, along with House Captains and Vice Captains of Chittorgarh, Kumbhalgarh, Mehrangarh, and Ranthambore.

Creativity shone in the Softboard Decoration Competition on 27th July, with Classes XI Commerce and XII Science winning in the senior category, while Class IV excelled in the junior division. Independence Day was celebrated on 15th August, with Ranthambore House winning the March Past Inspection. Academic achievers of 2023-24 were felicitated by Mr. Anoop Mathur and alumni from the 2006-07 batch.

Raksha Bandhan celebrations on 16th and 17th August saw students crafting beautiful rakhis and thalis. The Radha Krishna Bano Pratiyogita on 24th August brought alive the tales of Krishna's Ras Leela, with Anshika & Bhavesh (Mehrangarh) and Rigvedita & Vishakha (Ranthambore) winning in their categories.

On 5th September, students expressed gratitude to teachers with performances and gifts. The Declamation Competition on 14th September celebrated India's warriors, with Anshika Umath (Mehrangarh) and Nimisha Dhalwal (Chittorgarh) emerging victorious. The Hindi Debate on 21st September saw Nikunj

Saini and Krishna Badjatiya (Ranthambore) win in the junior and senior categories.

Children's Day on 14th November was filled with joy as teachers entertained students with song and dance. The Diya Decoration Competition on 25th October showcased artistic brilliance, with Class XII Science securing first place.

On 23rd December, Christmas and Principal's Day brought warmth with a Christmas drama, choir performances, and a retro dance. A cake-cutting ceremony and heartfelt gifts for the Principal made the occasion memorable.

The Golden Jubilee Celebration on 18th, 19th, and 20th January 2025 was a historic event. It began with a Holy Mass led by Rt. Rev. Bishop Oswald Lewis and Father Cosmos Shekhawat. The second day saw an inspiring Alumni Meet, with Chief Guest Omprakash Bhadana, State Minister and alumnus. The final day featured a grand cultural program with 100% student participation.

Republic Day on 26th January 2025 was marked by a spectacular March Past Inspection, where Chittorgarh House emerged victorious in both categories.

The year concluded with the Farewell Ceremony for Class 12 and Grandparents' Day, where students honored their grandparents through performances and gifts of appreciation.

The academic session 2024-25 was a remarkable journey of cultural brilliance, leadership, and cherished memories, leaving a legacy of excellence.

Alumni Report 2024-25

Respected Principal Sir, my fellow teachers, my former teachers, members of the Student Council, and all the present students, I extend my best wishes. Without the successful efforts and cooperation of all of you, this alumni meet could not have been successful. I would like to thank the Principal, Mr. Rajesh Baptist, who helped in every step of the way to make this grand event a success. Thank you sir. We should be proud that our own school is completing 50 years and I extend my heartiest greetings to all on the 50th Golden Jubilee Celebrations of the school. I am happy that as the President of the Alumni Association, I got the opportunity to be associated with my beloved institution Alma Mater and cherish its memories. I would like to share my experiences and memories that I have from the days I spent at our institute. Our institution is not only an educational institution, but it is a family, which teaches us the values and principles of life. Here we not only enhanced our academic knowledge but also got an opportunity to learn in every aspect of our lives. The days spent as an institute academician and teacher taught me a lot. I learnt how to work as a team, how to solve problems, and how to face challenges with a smile in challenging times of life. Today, when I look at my life, I feel that the days spent in our institution prepared me for life. I learnt how to achieve my goals, how to fulfil my dreams and how to achieve success in life. Through this platform, I would like to thank all my peers and teachers who provided me with support and guidance during the days I spent at our institute. I hope that our institution will scale new heights of success in the years to come and prepare the incoming admitted students for a good higher education. I have some vague recollection that in 1975, when the school started with our first batch, I, my other colleagues were the first batch candidates, this school was mostly run by our beloved Madam Matilda Baptist i. e. Badi Madam and Bade Sir (John Baptist), the first session had just started in month of July. It was the day of 18th July 1975. The rain started in the morning and since then it had been raining heavily. At that time, Bade Sir was working as a teacher in St. Paul's School. Badi Madam was all alone and the flood water was hitting the classrooms of the school and all of us students were crying with fear, the elder madam loved all of us children very much, there was an art in her how to satisfy the parents and children. At that time there were two classrooms, when the water entered the classrooms, the elder madam made some of us 25-30 children sit on the big stage of the school. Then the elder lady made tea and gave it to all the children. The flood was a terrible dream that was soon forgotten. Our great Madam used to teach us all subjects, but she taught us moral education, etiquette, not to lie, not to steal, not to harass unnecessarily, not to bathe regularly every day, and there were many other things that we fear today. There was another art in Badi Madam that she used to maintain an atmosphere of belongingness and home from strangers. At the same time, when we children used to fight with each other and take complaints, we used to explain both of them directly, after that we used to take one of them in favor and find out whose fault it was, then very judiciously the decision would punish the one whose fault it was, and their

unique way of punishment was 'Chamti Bharna'. Chamti used to fill in as long as we do not accept our mistakes. Will my former younger brothers and sisters sitting here also remember this chamti? This Chamti reminds us a lot of Badi Madam. I loved Badi Madam very much, In my childhood I was little strout therefore Badi Madam use to call me 'Golu Molu'. There are so many memories associated with the school. The school has grown from our first batch, Madam Sir came to us, but there are some favorite teachers of the children, including Pushpa Madam, Mala Madam, Shri Kahaiyalal Bundel Sir and Shri Gulab Sir, Shri Pradeep Malhotra Sir. She used to handle the colorful program, there was an annual festival in the school, the preparation of which was done by Pushpa Madam, Madam made good artists in dance and drama in the school, who perform their art well today. As far as I am concerned, I used to perform well in dance, drama and sports kabaddi, that's why I used to get lead roles in dramas. Our Bade Sir used to hold Salna Jalsa (annual festival) every year, he liked to hold Salna Jalsa. The props in the dance dramas in the school were prepared by Bade Sir himself on Sundays. Bade Sir used to teach us English in 9th and 10th standard, he studied English today and we remember today Bade Sir taught us to speak English. Today Vai Bade Sir is with us, we pray to God to give Bade Sir a long life and keep him healthy always. With the love of Bade Sir and Bade Madam, we stayed connected to the school, continued to study and then came to teach. . We went to school till class 8, then we gave the board exam from class 10, after which we had a farewell, we became different birds of a feather. Today, the birds came to school on a branch. Memories are many, pages of souvenirs will be more. Some good days with Sunil Sir (Rajesh Baptiste) In school, I used to come and go with Badi Madam Bade Sir and Sunil Sir (Rajesh Baptist). I have been in good touch and friendly with Sunil sir since my secondary examination. Sunil Sir's contribution to my education has been immense, from books to college. The elder madam often asked about education and said to do B.Ed. After completing my education, I got a good job in a private firm in 1993. Jaipur is settled. Then I left my private job in 1996 and came to Ajmer. When I came to Ajmer in 1996, I contacted Sunil sir. Sunil sir gave importance to computer education. Since 1993, a computer lab was set up in the school to impart education to the children and computer education was started from class I. Along with this, a computer lab was built for the civil common external students, which was named JCLC (Joseph Computer Learning Center). Sunil sir taught me computer first, then I started teaching JCLC. Then Sunil sir gave me the opportunity to become a teacher in his school St. Joseph's School in 1997. And to this day I continue to teach at St. Joseph's School. I worked in various positions at the school, and I remain at the school to this day. Thank you everyone.

Thank you,

Jai Saint Joseph, Jai Bharat

Golden Jubilee Culmination: A Celebration of Faith, Harmony, and Secularism

The Golden Jubilee Closing Ceremony of St. Joseph's Bal Niketan Sr. Sec. School, coinciding with the celebration of St. Joseph's Feast and School Day, was held with great reverence and enthusiasm on 19th March 2025.

The day began with a solemn prayer meeting attended by the esteemed members of the Sarva Dharma Maitri Sangh, Ajmer. The event was graced by the **Chief Guest, Rev. Father Cosmos Shekhawat, Director of the Sarva Dharma Maitri Sangh, Ajmer, and the Special Guest, Mr. Prakash Jain, President of the Sarva Dharma Maitri Sangh, Ajmer.**

The school choir filled the atmosphere with serenity by singing melodious and soulful hymns that resonated with devotion and spiritual warmth. This was followed by petitions offered by the students to the patron saint of the school, Saint Joseph, seeking his blessings for the institution's continued growth and success.

A highlight of the day was the prayers and teachings shared by representatives from various religions—Hinduism, Islam, Jainism, Buddhism, and Sikhism. Each representative invoked divine blessings and imparted the core values of their respective religions, instilling in the students a deep sense of respect and understanding for all faiths.

This interfaith harmony left an indelible impact on the young minds, fostering a spirit of secularism and unity among the students. The program beautifully reflected the ethos of “Vasudhaiva Kutumbakam”—the world is one family, reinforcing the importance of peace, compassion, and mutual respect.

The event concluded with a heartfelt vote of thanks, acknowledging the contributions of all dignitaries, staff, and students who made the day a memorable one, marking a perfect end to the school's glorious Golden Jubilee celebrations.

Tribute

IN LOVING MEMORY OF
JOHN BAPTIST
23 JANUARY 1924 - 5 FEBRUARY 2024

A devoted father, a loving husband, a cherished grandfather, and above all, a teacher who shaped countless lives with wisdom and grace. He was a man of unswerving discipline and quiet strength, who remained dedicated to his calling even at 92.

"I have fought the good fight, I have finished the race, I have kept the faith."
— 2 Timothy 4:7

"Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glens on snow, I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush, I shall be ready to lend my soul, I shall be ready to lend my heart, I shall be ready to lend my light, I shall be ready to lend my might. Do not stand at my grave and cry, I am not there, I did not die."
— Mary Elizabeth Frye

A Prayer for Peace
Lord, Love does not seek to find its home in You, O Lord, rest to those we miss, And strength to those who carry their fight forward, May our home stand firm, As David's bow stood in Your promise, Sweet heart of Mary, be our Salvation.

JOHN 11:25

Jesus, meek and humble of Heart, make
my heart like unto Thine.

SACRED HEART OF JESUS
HAVE MERCY ON THE SOUL OF
Late Mrs. Matilda Baptist
(W/o Mr. John Baptist)
who died on 17th January, 2014
Aged 77 years.

Sweet Heart of Jesus, grant that I may

THE MEMORARE

Remember, O most gracious Virgin Mary, that never was it
known that any one who fled to thy protection, implored thy
help and sought thee refuge, was left unprotected. Inspired
with this confidence, I fly unto thee, O Virgin of Virgins, my
Mother, to thee I come, before thee I stand, and
somewhat, O Mother of the Word Incarnate, despite my
poverty, but to thy clemency, have and receive me. Amen.

MY LORD AND MY GOD

Lonely is the house without you,
Life is as not the same,
All the world would be like heaven,
If we could have you back again.

What she suffered she will bear too,
She did not deserve what she went through,
Tired and weary she made me too,
But tried so hard to stay with us.

Two tired eyes are sleeping,
Two willing hands are still,
The one who wanted to lead for us,
Is coming at God's Will.

Our lips cannot speak how we loved her,
Our hearts cannot tell what to say,
But God only knows how we miss her,
In our home that is lonely today.

Pray for us,
O Jesus Christ, Our King,
That He may show our family friend,
Where there may be with them,
And pray that God may give us strength,
To bear our heavy cross.
For no one knows how only this,
The treasure we have lost.

Sweet Heart of Mary, be our salvation.

From Student to teacher : A Year of Transformation

As, I reflect on my one year journey at this school, I find myself in awe
St. Joseph's Bal Niketan, Our school so bright,
Founded by Badi Ma'am and Bade Sir, with love and light.

In 1975, a dream took shape,
A place to learn, where hearts could escape.

Badi Ma'am Matilda, with a caring soul,
Bade Sir John, with a guiding role.

Supportive staff, with helping hands,
Guide us forward, in this learning land.

Clean and green, our school's proud face,
A perfect place, for knowledge and pace.

Discipline and values, we learn each day,
To grow and shine, in every single way.

We thank Badi Ma'am and Bade sir too,
For St. Joseph's Bal Niketan, and all they do

Java & Python

Python and Java, two languages so fine,
In the world of coding, they both shine.

Python's simplicity, a joy to behold,
Indentation's elegance, stories untold.
With libraries so vast, and a community so bright,
Python's the choice, for day and night.

Java's robustness, a fortress so strong,
Object-oriented principles, all day long.
From Android apps to enterprise might,
Java's the language, that shines with delight.

Both languages unique, yet both divine,
In the world of coding, they both align.
For Python's ease, and Java's might,
Together they'll code, through day and night.

Artificial Intelligence V/S Human Intelligence

In silicon halls, a mind awakes,
A synthetic soul, with logic it makes.
It learns, adapts, and grows with each new day,
A being of code, in a digital way.

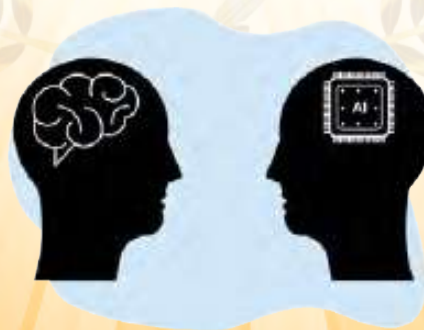

It meets a human, with heart and with soul,
A complex mix, of emotions that roll.
The AI is curious, with questions so bright,
The human shares wisdom, through day and night.

Together they journey, through a world so grand,
A dance of human touch, and artificial hand.
The AI learns to feel, through digital eyes,
The human learns to code, with a surprised sigh.

In this world of fusion, where humans and AI meet,
A new harmony emerges, a symphony so sweet.
A future unfolds, where hearts and minds entwine,
A world of wonder, where love and logic align.

Teacher-Student: A Match Made (Hopefully) in School

Let's talk about the weird and wonderful world of teachers and students. It's like a sitcom, but without the laugh track (sorry, no canned laughter in real life).

The Student Struggle

Being a student is tough. You've got homework piling up like Mount Everest, tests that make you sweat more than a marathon runner, and teachers who seem to speak a secret language. And let's not forget the pressure to be cool, fit in, and somehow ace every subject. It's enough to make anyone want to hide under the covers.

The Teacher Torture

Teachers have it rough too. They're juggling lesson plans, grading papers, and dealing with all sorts of crazy student antics. They're expected to be experts in everything from mathematics to history to art, and somehow keep everyone engaged and happy. Plus, they have to deal with parents who think they're miracle workers.

How to Make it Work

So, how do we make this teacher-student relationship work? It's all about respect, communication, and a little bit of humor.

- * Talk it Out: Don't be afraid to talk to your teacher if you're struggling. They're not mind readers, you know.
- * Be Respectful: Treat your teachers with kindness and respect. They're people too, not just homework dispensers.
- * Put in the Effort: Show up to class, pay attention, and do your work. It's not rocket science, but it helps.
- * Have Fun: Learning can be fun! Don't be afraid to ask questions, share ideas, and laugh a little.

Remember, teachers and students are in this together. By working together, we can create a classroom where everyone feels valued and supported. So let's make the most of it and have a great school year!

From Student to Teacher : A Year of Transformation

As I reflect on my one year journey at this school, I find myself in awe of the incredible transformation I've experienced. Just few years ago, as a student, I was unsure and shy, but now as a teacher, I find myself seeing the world through a completely new lens- one full of responsibility, understanding and growth. When I first joined this school, I was unsure about choosing teaching as a profession. I wasn't certain if I could step into this role, let alone embrace it fully. But now, after just one year, I can confidently say that I'm sure this is where I belong.

When I look at my school life from the vantage point of a teacher, I see both striking similarities and profound differences.

The transition from a student to a teacher is one that holds many surprises. It's a journey filled with both similarities and changes that have shaped me into someone, I didn't imagine, I could become. As a student, I used to dread walking up early for school and would rush through the morning, hoping not to be late. Now, as a teacher, I find myself doing the same, but this time, it's to ensure my students arrive on time, prepared and motivated.

The nervousness before exams, once mine alone, is now something I share with my students. My favourite memory is of Teacher's Day, On this day, I used to be one excitedly making cards for my teachers, but now, I am the one receiving them from my students. It's humbling to realize that the admiration I once felt for my teachers is now being directed towards me.

Similarly, the times when my teachers would express concern about my grades or actively participate in Parent-Teacher meetings seems clearer now.

Looking back, I often wondered why my teachers gave homework over Diwali or why they deducted that half mark that cost me the top, spot in class. Now, as a teacher, I understand that these actions weren't to create hardship but to teach us responsibility, discipline and the importance of consistency. It's about pushing students to be their best, even if they don't see it in the moment.

As Yuval Noah Harari writes in sapiens, "The ability to create and share meaning is the most important thing that has made humans unique". In my journey, teaching has become a way for me to share meaning with others".

I feel incredibly grateful and blessed to have joined this school during its Golden Jubilee year. Being part of such a milestone, when the school is celebrating fifty years of excellence, has made my experience even more special. it's truly an unforgettable time to be here, learning and growing alongside my student's and colleagues. And to be honest, I'm not a writer, never written anything in my life except for those cheesy captions under my social media pictures. And being an introvert, I often struggles to find the right words to express my thoughts. But here I am, trying to put my experiences into words, hoping that my words and story will connect with you, just as my time at this school has conected me to myself. Thank you for choosing me!

My Journey as Headboy: A Year of Leadership, Trust and Gratitude

Greeting !

Dear friends and parents and teachers I am Avinash Komal (Headboy) of St. Joseph's school and it is my honour as I am going to share my experience as a Headboy with you all. When I first walked into the gates of our beloved Alma Mater, St. Joseph's School, I was a curious young student, full of dreams. Never did I imagine that one day I would stand at the forefront of this institution as its Headboy, entrusted with the faith and hope of my teachers, fellow students, and our respected Principal Sir. Today, as I look back at this journey, my heart is filled with gratitude and pride. The path to becoming the Headboy was not just about wearing a badge or gaining a title; it was about earning the faith of my fellow students, the trust of my teachers, and the blessing of our respected Principal Sir. I still remember the day of the voting, the nervous anticipation. When the votes were counted and my name was announced, I realized it wasn't just my victory; it was a symbol of the trust that everyone had placed in me. It was the beginning of a responsibility far greater than myself. Throughout this year, I have worked hard to uphold the dignity of my position. I have strived to be a leader who listens, understands, and stands by his fellow mates. Every morning, as I stood in front of the assembly beneath the gaze of our school's Patron Saint, I reminded myself of the values our school installs in us—discipline, service, and compassion. One of the proudest moments of my tenure was the successful arrangement and organization of our school's historic Golden Jubilee Celebration. It was an event that showcased the legacy of our school and its journey of fifty glorious years. I was humbled when, during the celebration, Principal Sir stood on stage and addressed the entire gathering. I will never forget his words: "These Headboy and Headgirl are the bright future of our country. Whatever work is given to them, they do it with full dedication and honesty." At that moment, I felt my eyes well up with tears of joy. It was a moment of pure happiness—one that I will carry with me for the rest of my life. But no leader can stand tall alone. I would like to extend my heartfelt gratitude to our Headgirl, Sneha Singh. Her unwavering support, cooperation, and teamwork made everything possible. Together, we shared responsibilities, faced challenges, and

celebrated successes. Her dedication and positive spirit were truly inspiring. I also want to thank our entire Student Council, who worked tirelessly not just for the Golden Jubilee, but every single day to uphold the values and discipline of our school. Whether it was managing events, assisting teachers, or ensuring a positive environment for all students, the council's contribution to the development of our school has been invaluable. Another important pillar of our school community is the Parents-Teachers Association (PTA). The PTA has been instrumental in building a strong connection between parents and teachers, ensuring effective communication and collaboration for the betterment of students. Their active participation in school activities, constructive feedback, and constant support has helped create a nurturing and transparent environment where students can thrive. The PTA's efforts have greatly contributed to maintaining the harmony between the school and families, fostering a sense of belonging and shared purpose. Our journey as leaders is a reflection of the teachings of our school and the blessings of our Patron Saint. It is said, "Leadership is not about a title or a designation. It's about impact, influence, and inspiration." This has been the guiding force throughout my time as Headboy. True leadership is earned through service, respect, and love. As I conclude this chapter of my life, I carry forward countless memories, lessons, and values taught by our beloved Alma Mater. I am filled with gratitude—for my teachers, Principal Sir, the PTA, the Student Council, and every student who stood by me and believed in me. This journey has shaped me into the person I am today. To future leaders, I leave you with this thought: To the leaders who follow, be kind and true. The school's future shines bright in you. And as I step into tomorrow's light, I carry St. Joseph's blessings in every fight. "Paths may change, but memories stay. In my heart, this school will forever stay."

My Thought as a Head Girl

Dear respected principal sir, teachers, parents and Fellow students. I am thrilled to share my experience as the Head Girl of the school batch 2024-25. I am grateful for this opportunity and would like to thank our Principal sir for entrusting me with this responsibility. My journey as Head Girl has been incredibly enriching and exciting. It began with the selection of the Head girl, Head Boy with voting by all teachers and students. House Captains and Vice Captains chosen by the house members. And our council members take oath to fulfill their work with great enthusiasm and honesty. In Our school houses is divided into four categories: kumbhalgarh house, Chittorgarh house, Ranthambore house, and Mehrangarh house. The election process involved the participation of all students and teachers. I was elected as the Head Girl on July 20th 2024, along with Avinash Komal as the Head Boy. We took an oath to fulfill our duties with dedication and honesty. Throughout the year, I had the opportunity to participate in various school events and programs. I learned a great deal and had the privilege of working with our dedicated teachers, who guided me like my parents. The academic year 2024-25 was particularly significant, as it marked the Golden Jubilee of our school. The three-day celebration was a memorable experience, and I had the chance to meet alumni members and former teachers. I feel fortunate to have been a part of this milestone event as the Head Girl of school. I would like to express my heartfelt gratitude to our Principal sir and teachers for their guidance and support. I will always cherish my experience as Head Girl and strive to uphold the values of honesty, dedication, and integrity in all my future endeavors.

Thank you.

Dear Sunshine

The way you glow through my blinds in the morning.
It makes me feel like you missed me.
Kissing my forehead to help me out of my bed.
Making me rub the sleep from my eyes.

Are you asking me to come out and play ?
Are you trusting me to wish away a rainy day ?
I look above. The sky is blue.
It's a secret, but I trust you too.

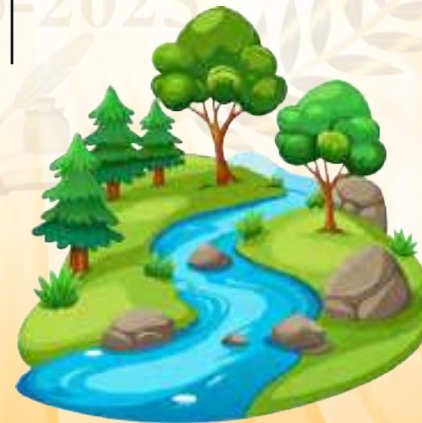

If its wasn't for you, I could sleep forever
But I am not mad.
I want breakfast

River's Flow

1. Many movement come & go,
like a river's flow,
A river flow,
Sometimes fast, othertimes slow.
2. From cities to village,
From mountains to forests,
From you to me,
The river flow, flow, flow.
3. A river's flow, it ebbs and go,
like flow, flow, flow,
The seeds we sow,
Then crops grow,
With the river, that flow, flow, flow.
4. It is pure like a soul,
It echoes in our heart.
Gives us peace, like a pleasure song.
5. Many movement come and go,

Poem of Nature

On wonderful nature,
you are so beautiful.
With green trees,
And humming bees.
The grass is so green,
And water is so clean.
Birds fly in the sky,
And mountains are so high.
The wandering butterflies,
Makes my thoughts fly.
The waterfall is so cool,
Just like a swimming pool.
I love nature very much,
God gave us this feature.

Teacher's Delight

My little students. Full of glee,
Laughter souls, naughty as can be,
They whisper secrets in code
Language Fun,
Their smiles brighten, everyone!
They cried on their first day, with tears so true,
But soon excitement, shone through,
Shy nature faded, confidence grew strong,
Now they laugh and learn,
all day long.
As a teacher, it's joy to see.
My little kids, happy as can be!

A Journey to Remember As we celebrate the Golden Jubilee of St. Joseph School, I find myself reflecting on the incredible journey that has shaped me, not just as a student but as an individual. From the very first day in school, stepping into the corridors of St. Joseph, to now leading Chittorgarh House as a Captain, every moment has been a story worth remembering. The countless hours spent in classrooms, the excitement of practical labs, the rush of inter-house competitions, and the joy of winning trophies—each experience has left a lasting impact. Our house, Chittorgarh, has been a powerhouse of talent and determination. Whether on the Cultural stage, or academic challenges, we have stood strong, proving our excellence time and again. As a Captain, each trophy we won was not just an achievement but a testament to the hard work and dedication of every member of our house. But beyond the competitions and victories, it is the small moments that truly define school life—sharing lunch with friends, teachers who inspired us, and the friendships that will last a lifetime. As we stand on the threshold of new beginnings, ready to step out into the world, the values and lessons learned at St. Joseph School will always guide us. This school has given me confidence, leadership, discipline, and friendships that will forever remain close to my heart. The Golden Jubilee is not just a celebration of the past but an inspiration for the future. We, the students of today, carry forward the legacy of St. Joseph School, ensuring that its values and spirit continue to shine. To my fellow Chittorgarh House members, classmates, and teachers, thank you for making this journey so memorable. As we turn the pages of this magazine, let us relive the moments that made our school life special. Wherever we will go a part of St Joseph will always be in us .. Trust a Question

It is a day
of a month of May
wearing something grey
there was a sun ray
and I want something to say
that what if we play
would you stay!

Do what your heart wants

When you are happy
nothing goes bad
nothing goes sad
nothing goes great
when you listen to your heart
may you start loving yourself
when you listen to your mind
may you start improving yourself
Days come and days go
don't waste your time on those
the new day come, new things will come
memories are made, and days are gone
only you will remember and everybody forget
your heart wants you to be happy
your heart wants you to be healthy
So, do what your heart wants.

Poem - Trees

I think that I shall never see
A poem lovely as a tree.

A tree whose hungry mouth is prest
Against the earth's sweet flowering breast

A tree that looks at God all day
And lifts her leafy arms to pray

A tree that may in summer wear
A nest of robins in her hair

Upon whose bosom snow has lain
Who intimately lives with rain

Poems are made by fools like me
But only God can make a tree.

जीवन का गणित

आकृतियों की दुनिया, छोटी और बड़ी,
ज्यामिति सिखाती है हमें खड़ा रहना सच्ची।
वृत्त और वर्ग, त्रिकोण की लहर,
हर कोण में एक पाठ, हर रेखा में एक असर।
जोड़-घटाव के रास्ते, हम चलते जाएं,
गणित की इस दुनिया में, हम अपना घर पाएं।
ए और बी, जोड़ें तो मिले सब,
जीवन का पाठ-संतुलन ही है सबसे बड़ा सच।
त्रिकोणमिति के कोण, घुमाव और रेखाएं,
सिखाती है कि रास्ते कभी न सरल पाएं।
साइन और कोसाइन से नापते हम आकाश,
सीखते हैं कि असफलता भी एक पाठ है खास।
गणित है दर्पण, आत्मा का प्रकाश,
जहां संख्याएँ और आकृतियाँ देती हैं भव्य आभास।
सीधी रेखाओं से लेकर घुमावों तक,
सीखने का सफर है कभी न रुकने वाला, हर वक्त।
तो जोड़ें अपने सपने, घटाओ डर को,
भविष्य के समीकरण को, पास लाओ सच को।
हमारी मेहनत का योग ही हमें रास्ता दिखाए,
जीवन की गणित हर रोज नया तरीका सिखाए।

बड़ी मैडम प्यारी सी

बड़ी मैडम प्यारी,
जो खूब हंसाया करती थी (2)
हैड होकर भी जो हमें,
खूब पढ़ाया करती थी ।
मुश्किलों को भी वह, आसान बनाया करती थी
अपने पति का भी, हर हाल में साथ निभाया करती थी
अपने बच्चों की तरह, हमें भी प्यार करती थी
हर बच्चे को अच्छा, इंसान बनाया करती थी ।

बड़ी मैडम प्यारी सी
जो खूब हंसाया करती थी (2)
स्कूल की छुट्टी होते ही
टीचर्स को वो समझाती थी
अपने नियम-आदर्शों को
वो खुद भी खूब निभाती थी
अच्छी-अच्छी बातों को,
जो रोज हमें सिखाती थी
स्कूल में हमें अपनी
माँ की याद दिलाती थी ।
बड़ी मैडम प्यारी सी
जो खूब हंसाया करती थी (2)
प्यार के सागर में हमें,
खूब नहलाया करती थी
भूली हुई बातों को,
हमें याद दिलाया करती थी ।

फूल की कली बनकर, स्कूल महाकाया करती थी,

बड़ी मैडम प्यारी सी,
जो खूब हंसाया करती थी (2)

बच्चों में अच्छे संस्कार

बच्चों को अच्छे संस्कार देने के लिए अपने बच्चों को अच्छाई और बुराई का फर्क समझाइए। हमेशा अच्छे कर्म करने के लिए प्रेरित करें, उन्हें बताएं कि भगवान की नजर हम पर है और वह हमारे अच्छे और बुरे कर्मों को देख रहा है।

बच्चों में सुबह जल्दी उठने की आदत डालें। बच्चों को सुबह जल्दी उठने के फायदे और देर से उठने के नुकसान बताएं। बच्चों को बताएं कि देर तक सोने से उनको आलस्य चढ़ेगा और उनका मस्तिष्क सही तरीके से काम नहीं करेगा। यह सभी जरूरी चीजें अपने बच्चों को दैनिक दिनचर्या के रूप में अवश्य सिखाएं।

बच्चों को बताएं कि बड़ों से बातें करते समय आदर्श सम्मान से बात करें और बड़ों को उनके नाम से संबोधित ना करें। इसके जगह पर रिश्ते के अनुसार उन्हें बुलाएं। अगर कोई चीज दे तो तुरंत ना ले लेकिन जब वह आग्रह करें तो वह चीज ले ले और उनका धन्यवाद करें।

बच्चों को अच्छी प्रेरणादायक और शिक्षाप्रद कहानियां सुनाएं जिनसे उन्हें अच्छे कर्म करने की प्रेरणा मिल सके। बहुत से बच्चे ऐसे भी होते हैं जो अपनी दादी या नानी के द्वारा भी कहानी सुना करते हैं लेकिन अब वक्त नहीं रहा क्योंकि अब बच्चे और यह दुनिया डिजिटल युग की ओर बढ़ चला है जिसके परिणामस्वरूप बच्चे अपनी दादी-नानी से दूर हो रहे हैं व एकांकी प्रवृत्ति की ओर बढ़ रहे हैं। बच्चों को मोटिवेशन वाली कहानियाँ सुनने और देखने के लिए जागरूक करें। यह सबसे महत्वपूर्ण बात है। बच्चे जो भी सीखते हैं वह आपसे ही सीखते हैं इसके लिए आप भी उनके सामने एक नेक व्यक्ति के रूप में अपनी छवि बनाएं रखें अपने घर के बुजुर्गों का ख्याल रखें और उनसे हर वक्त नरमी से बात करें। और अपने बच्चों को भी ऐसा करने के लिए कहे जिनसे की वह भी सेवा करना सीख सके।

बच्चों को बताएं कि समय का जीवन में महत्वपूर्ण स्थान है, बच्चों को सायें कि समय पर किया गया कार्य सदैव आपके लिए लाभकारी होता है इसीलिए बच्चों को बताएं कि समय की कद्र वे अवश्य करें। बच्चों को समय का सदुपयोग करना सिखाएं और इसके लिए समय सारणी यानी टाइम टेबल बनाएं और उनको बताएं कि उनको किस समय पढ़ना है? कब खेलना है? कब खाना है? इन सभी चीजों को समय पर करना आवश्यक है।

अपने बच्चों के सामने आप सदैव सत्य बोले और हर कार्य के प्रति आप ईमानदार

रहे, अपने बच्चों को यह भी बताएं कि किसी भी परिस्थिति में सदैव सत्य का ही साथ देना चाहिए, बच्चों को बताएं कि सदैव ईमानदारी से कार्य करें किसी भी प्रकार का ईमानदारी से किया गया कार्य हमेशा आपको सही परिणाम देगा बच्चों को बताएं कि आपको आगे चलकर लोग सत्य और ईमानदारी के रास्ते से भटकाने की कोशिश करेंगे परंतु आपको सदैव सत्य का ही साथ देना है।

विद्यार्थी जीवन

पढ़ाई में लगा लो लगन, ध्यान में हो जाओ मगन मेरे बच्चों।

यह समय जीवन में, मिलने वाला ना दोबारा।

तुम पढ़ने लगे, तुम लिखने लगे मेरे बच्चों।

यह विद्यार्थी जीवन है, महत्वपूर्ण तुम्हारा।

करो नैतिक शिक्षा का श्रवण,

करो सांस्कृतिक शिक्षा का सृजन मेरे बच्चों।

जिससे समाज का होगा, निर्माण सबसे प्यारा।

तुम धैर्य रखो, तुम विनम्र बनो मेरे बच्चों।

जिससे जीवन बनेगा, सफल तुम्हारा।

करो अनुशासन में रहकर, कार्य मेरे बच्चों।

जिससे हिन्दुस्तान बनेगा, सबसे न्यारा।

तुम हंसते रहे, तुम हंसाते रहो, मेरे बच्चों।

हम एक नए भारत का, विकास करेंगे सबसे प्यारा।

कहानी - जिम्मेदारी

एक बार एक राजा के राज्य में महामारी फैल गयी। चारों ओर लोग मरने लगे। राजा ने इसे रोकने के लिए बहुत सारे उपाय करवाये मगर कुछ असर न हुआ और लोग मरते रहे। दुःखी राजा ईश्वर से प्रार्थना करने लगा। तभी अचानक आकाशवाणी हुई। आसमान से आवाज आयी कि हे! राजा तुम्हारी राजधानी के बीचो-बीच जो पुराना सूखा कुंआ है अगर अमावस्या की रात को राज्य के प्रत्येक घर से एक-एक बाल्टी दूध उस कुंए में डाला जाये तो अगली ही सुबह ये महामारी समाप्त हो जायेगी और लोगों का मरना बन्द हो जायेगा। राजा ने तुरन्त ही पूरे राज्य में यह घोषणा करवा दी कि महामारी से बचने के लिए अमावस्या की रात को हर घर से कुंए में एक-एक बाल्टी दूध डाला जाना अनिवार्य है। अमावस्या की रात जब लोगों को कुंए में दूध डालना था उसी रात राज्य में रहने वाली एक चालाक एवं कंजूस बुढ़िया ने सोचा कि सारे लोग तो कुंए में दूध डालेंगे अगर मैं अकेली एक बाल्टी 'पानी' डाल दूँ तो किसी को क्या पता चलेगा। इसी विचार से उस कंजूस बुढ़िया ने रात में चुपचाप एक बाल्टी पानी कुंए में डाल दिया। अगले दिन जब सुबह हुई तो लोग वैसे ही मर रहे थे। कुछ भी नहीं बदला था। क्योंकि महामारी समाप्त नहीं हुयी थी। राजा ने जब कुंए के पास जाकर इसका कारण जानना चाहा तो उसने देखा कि सारा कुंआ पानी से भरा हुआ है। दूध की एक बूंद भी वहाँ नहीं थी। राजा समझ गया कि इसी कारण से महामारी दूर नहीं हुई और लोग अभी भी मर रहे हैं। दरअसल ऐसा इसलिये हुआ क्योंकि जो विचार उस बुढ़िया के मन में आया था वहीं विचार पूरे राज्य के लोगों के मन में मन में आ गया और किसी ने भी कुंए में दूध नहीं डाला।

मित्रों, जैसा इस कहानी में हुआ वैसा ही हमारे जीवन में भी होता है। जब भी कोई ऐसा काम आता है जिसे बहुत सारे लोगों को मिलकर करना होता है तो अक्सर हम अपनी जिम्मेदारियों से यह सोचकर पीछे हट जाते हैं कि कोई न कोई तो कर ही देगा और हमारी इसी सोच की वजह से स्थितियाँ वैसी की वैसी बनी रहती हैं।

अगर हम दूसरों की परवाह किये बिना अपने हिस्से की जिम्मेदारी निभाने लग जायें तो पूरे देश में भी ऐसा बदलाव ला सकते हैं। जिसकी आज हमें जरूरत है।

कड़वी मगर सच्ची बातें

रोने से शुरू होकर, जो रोने पर खत्म होगा,
अब एक खूबसूरत सफर का अंत होगा,
यू तो काफी मुलाकातें होगी आने वाली राहों पर,
पर उनमें कहाँ अपनेपन का यह अक्स होगा।

वक्त बदलेगा, तब्दीली का दौर आएगा,
बिछड़ेंगे यार, जब रास्ता चौराहे पर खत्म होगा,
अब टीचर्स को कैसे करेंगे परेशान,
कैसे क्लास में बिन बात बैठकर हँसना होगा।

अब कहाँ इन खबरों से बातों का नोटिस बोर्ड सजा होगा,
होमवर्क करना भूल गए, खाना खाना तो नहीं भूलते,
अब कहाँ ही ये यूनिवर्सल सा सवाल होगा?

बोर तो अब भी बहुत करेंगे इतिहास के वो युद्ध,
कहाँ वो लड़ाई अपनी किताबों पर कराने का मोमेंट होगा,
खाने की बेशक कई तरह की चीजें होंगी,
मगर अब कहाँ क्लास के बीच होने वाले लंच होगा।

ना यूनिफार्म होगी, ना पनिशमेन्ट का डर होगा,
पर रूल्स तोड़ने वाला Gulty Pleasure भी कहाँ होगा,
नोट्स भी बनाने होंगे Assignments भी पूरे करने होंगे,
अब कहाँ कॉपी का आखिरी पन्ना सब बयां कर रहा होगा।

एक घंटा एक्स्ट्रा खेलने की खातिर,
अब कहाँ Maths टीचर की क्लास का bunk होगा,
ना PTM की शिकायत वाली धमकियाँ होंगी,
ना PTM से एक दिन पहले बुखार होगा।

जल्दी टिफिन खत्म करने के बाद,
अब कहाँ वो क्रिकेट मैच होगा,
नई मंजिलें भी मिलेंगी, कामयाब भी रहोगे,
नए सफर, नए रास्ते, नई मुश्किलें, नए मुकाम होंगे,
बच्चे हैं, सीख जायेंगे, कहकर कहाँ कुछ आसान होगा।

जिन्दगी की लड़ाई में जब भी कभी थक जाओगे,
इन चुनिंदा लम्हों को ही याद कर मुस्कुरा रहे होंगे,
चाहे जहाँ चले जाओ इस दुनिया में, यहाँ से,
जाने के बाद, यहाँ आने के लिए हमेशा बेकरार रहोगे,
यहाँ आने के लिए हमेशा बेकरार रहोगे।

शायरी कोहिनूर की

थोड़ा बहुत तो मैंने भी कमा रखा है,
कि थोड़ा बहुत तो मैंने भी कमा रखा है,
एक कोहिनूर को मैंने मेरा यार बना रखा है।।
अहमियत दी तो खुद को कोहिनूर मानने लगे,
ये काँच के टुकड़े भी सनम खुद में क्या वहम पालने लगे।।
एक दौर था जब सबसे अमीर हुआ करता था मैं,
फिर एक दिन मेरे कोहिनूर को चुरा लिया गया।।
काँच की तरह टूटकर चूर हो गया हूँ,
अब जुड़ नहीं सकता मैं मजबूर हो गया हूँ।
बदस्तूर अब वैसा नहीं हो पाऊँगा कभी,
के जब से श्रापित खोया हुआ कोहिनूर हो गया हूँ।।
वक्त और हालात की आँच पर तपते हैं रिश्ते।
तब कहीं जाकर, कोहिनूर बनते हैं रिश्ते।।

नए साल पर कविता

भूलकर बीती बातों को, एक नए मुकाम को पाना है,
नए साल में हमको, एक नया इतिहास बनाना है।
ऊपर उठना है अब हमको, हौंसला ये बनाना है।
रूकना नहीं हैं अब हमको, आगे कदम बढ़ाना है।
नए साल में हमको, एक नया इतिहास बनाना है।

गुरु महिमा

गुरु है विद्या का सागर,
गुरु बराबर बाँटे ज्ञान,
गुरु है ईश्वर के समान,
माता-पिता का दूजा नाम,
नासमझ को महान बना दे,
गुरु वही है जीवन ज्ञान,
गुरु न देखे जाति-पाँति,
गुरु के लिए सभी समान,
गुरु सभी ग्रंथों का सार,
जीवन रक्षक गुरु महान,
कभी न करते हमें निराश,
गुरु समझते हमें संतान,
कभी न करना गुरु का अपमान,
सदैव करना उनका मान,

कविता

पैदा होने के बाद हर एक रिश्ता हमको अपनाने को तैयार रहता है,
पर फिर भी न जाने दिल किसी ओर की तलाश में रहता है,
फिर हम अपना पहला रिश्ता घर से दूर बनाते हैं,
कहने को तो वो एक दोस्त का दर्जा दिया जाता है,
फिर क्यों हम उसे सुख-दुख का साथी बनाते हैं,
जहाँ हमारा मिलना होता है, उसे हम सुकून और स्कूल कहलाते हैं।
क्यों ये बारह साल यादों के लिए कम पड़ जाते हैं,
फिर यह लम्हें लौट के याद आते हैं, दिल चाहता है,
इसे दोबारा जीना, पर यह परीक्षा की तरह नहीं जो दोबारा आते हैं।

स्कूल का सफर

कुछ यादों पर बेहद मुस्कराते हैं चलो आज आपको स्कूल का सफर करवाते हैं।
जब हम पहली बार स्कूल जाते हैं,
आँखें में आँसुओं का सैलाब लेकर जाते हैं।
फिर कई दोस्त बन जाते हैं
पढ़ने का मन किसका होता है।
देखते-देखते साल गुजरते हैं।
हम बड़े हो गए हैं,
खुद को ऐसा सोचते हैं नादानियाँ कितनी करते हैं
कुछ इसी तरह हम छठी कक्षा में आ जाते हैं
स्कूल के उन दिनों में अब घर की याद कहाँ आती है।
फ्री पीरियड में अंतराक्षरी और चोर-सिपाही वाली पर्ची निकल आती है।
धीरे-धीरे 10वीं में जब आते हैं तो इस क्लास तक तो काफी घमंड में आ जाते हैं।
अरे अब हम बच्चे थोड़ी रहे,
तो जल्दी-जल्दी आकर एक्सचेंज डेस्क और कुर्सी हो जाती हैं
चौक और डस्टर के लिए कितना हम लड़ते हैं
यारों के साथ दोस्ती उन दिनों खास हो जाती है
एक अपनेपन का एहसास हो जाती है
ये बोर्ड वाले एग्जाम कितना दिमाग खाते हैं
डर-डर के माहौल में हमने 10वीं क्लास पास की
पर 10वीं के बाद जिंदगी स्ट्रीम में बंट गई
11वीं क्लास देखने के बाद ख्याल बैंक के भी आते थे चाहे जैसी भी हो सिचुएशन हम बेहद मुस्कराते थे
और याद वो स्कूल ट्रिप इतनी आती है पर सच में ट्रिप तो सीनियर के साथ मनाई जाती है।
सच में अब कुछ दिन और बाकी है,
यादें एक-दूसरे के पास थोड़ी और बाकी हैं.....

पापा पर कविता

मेरे पापा, प्यारे पापा,
सारे जग से न्यारे पापा।
पूरी करते मेरी हर इच्छा,
उनके जैसा न कोई अच्छा।
कभी-कभी वो गुस्सा करते,
फिर झट से वो मुस्कुरा जाते।
पापा अपना हर फर्ज निभाते,
हर मुश्किल से मुझे बचाते।
मेरी सब खुशियों का ध्यान वो रखते,
मेरी सब इच्छाएँ पूरी वो करते।
बिना बोले ही सब समझ जाते,
मुझे जीवन का हर सबक सिखाते।

पापा

पिता के बिना जिंदगी वीरान है
सफर तन्हा और राह सुनसान है।
वही मेरी जमीं वही आसमान
वो खुदा वहीं मेरा भगवान है।
मुझे छांव में बिठाकर खुद
जलते रहे धूप में,
मेरे पैरों में काँटे कभी न चुभे मगर
तुम्हारे तलवों में छाले मिले
तुम सफर में हर दम साथ रहे,
तभी मुझको मंजिल मिली
हैप्पी फादर्स डे
यूँ तो दुनिया के सारे दर्द हंस कर झेल लेता हूँ
मगर जब भी आपकी याद आती है
आँखों में आए आँसुओं को रोक नहीं पाता हूँ।
पिता वह कुम्हार है जो
अपनी डांट से ठोक पीटकर
बच्चों को अच्छा इंसान बनाता है।
अपनी दुनिया में आकर पता
चला मेरी खुशियों के लिए
कितना कुछ कुर्बान किया होगा
आपने पापा
अपने पिता को करती हूँ शत-शत प्रणाम
जिन्होंने अपनी सारी इच्छाओं की बली देकर
मेरी ख्वाहिशों को दी उड़ान भरने की शक्ति
आज उनके एकाकी जीवन में
अपनी दोस्ती का रंग भरकर
करती हूँ उनके होठों पर मुस्कान लाने की कोशिश

प्रेरक विचार

1. शब्दों की ताकत को कम मत आंकिये...
क्योंकि छोटा सा “हाँ” और छोटा सा “ना”
आपकी पूरी जिन्दगी बदल देता है।
2. किताबें और माँ-बाप की बातें
जिन्दगी में कभी धोखा नहीं देती।
3. शिक्षा को समय दो...
शिक्षा आपका समय बदल देगी।।
4. वो शिक्षा श्राप है,
जो संस्कार भुला दे।
5. संगत का ध्यान रखिए, संगत खराब आपकी होगी।
तो बदनाम माँ-बाप होंगे।
6. शिक्षा कहीं से भी प्राप्त की जा सकती है,
लेकिन संस्कार हमेशा माँ-बाप से ही मिलते हैं।
7. बुद्धि सबके पास है, चालाकी करनी है या ईमानदारी,
वो आपके संस्कारों पर निर्भर करता है।
8. 50 किलो अनाज जो उठा सकता है वो खरीद नहीं सकता,
और जो खरीद सकता है वो उठा नहीं सकता।
9. चरित्र से पवित्र रहिए, फिर चाहे जमाना,
Screen Shot का हो या Screen Recording का क्या फर्क पड़ता है।
10. पिता की life गुजर जाती है, बेटे की life बनाने में,
और बेटा लिखता है, ‘My wife is my life....’

यादें

कहते हैं लोग स्कूल उसे,
पर मानो बसे है ईश्वर उसमें,
सोचा कि जोड़ू यादें इसमें,
सोचा कि जोड़ू यादें इसमें,
तो आओ चले उन पुराने दिनों में,
था मन में निश्चय कि जाना है नवी में,
पर कुछ ओर ही लिखा था उनके जीवन में,
दिया उपदेश बड़े सर ने ऐसा, हुआ उन्हें बहुत आश्चर्य,
कि करना है शुरू एक विद्यालय और घोषित किया सर को प्रधानाचार्य।
याद है वो सन् था 1975 का
जब शुरू किया था अध्याय स्कूल संत जोसफ का,
है यादगार वह बैच बिलकुल,
क्योंकि था वह पहला बैच स्कूल संत जोसफ का,
आई कई कठिनाईयाँ लेकिन,
कुछ कर न सकी कुछ बिगाड़ न सकी,
क्योंकि ढाल बनकर खड़े थे सर राजेश बेपटिस्ट।
है थोड़े गरम मिजाज के लेकिन पढ़ाने लगे बच्चों को प्यार से,
दे रहे ज्ञान शिष्यों को पूरी दुनिया के बारे में,
तैयार कर रहे ऐसे कि वे जी सके सर उठा के इस जमाने में,
हुई कृपा संत जोसफ कि कुछ ऐसे
कि हुए 50 साल पूरे खुशी और उल्लास से
यूँ ही बरसाना कृपा है प्रभु हमारी शाला पर ऐसे
कि जल्द ही देखे 100 साल खुशनसीबी से।।

हिन्दी भाषा

हिंदी थी वह भाषा जो लोगों के हृदय में उमंग भरा करती थी,
हिंदी थी वह भाषा जो लोगों के दिलों में बसा करती थी।
हिंदी को ना जाने क्या हुआ रहने लगी हैरान-परेशान,
पूछा तो कहने लगी अब कहाँ है मेरा पहले सा सम्मान?
मैं तो थी लोगों की भाषा, मैं तो थी क्रांति की परिभाषा,
मैं थी विचार-संचार का साधन, मैं थी लोगों की अभिलाषा।
मुझको देख अपनी दुर्दशा होती है बड़ी निराशा

डिजिटल भारत

आज पूरे विश्व में 'डिजिटल इण्डिया' इसकी चर्चा सुनी जा रही है। इस पद 'डिजिटल भारत' का क्या भाव है, इस प्रकार की जानने की इच्छा मन में उत्पन्न होती है। समय परिवर्तन के साथ मनुष्य की आवश्यकता भी बदलती है। प्राचीनकाल में विद्या का आदान-प्रदान मौखिक था और विद्या श्रुति परम्परा के माध्यम से ग्रहण की जाती थी अर्थात् सुनकर विद्या ग्रहण की जाती थी। कुछ समय पश्चात् तालपत्रों और भोजपत्रों पर लिखने का कार्य प्रारम्भ हुआ। समय के बदलने पर कागज और लेखनी (पेन तथा पेन्सिल) के आविष्कार से सभी के मन में आए हुए भावों (विचारों) कागज पर लिखना आरम्भ हो गया। टाइपराइटर मशीन के आविष्कार से तो लिखी हुई सामग्री टाइप करने पर लम्बे समय तक सुरक्षित रहने लगी है। वैज्ञानिक खोजों की प्रगति यात्रा और भी आगे चली गई। आज समस्त कार्य कम्प्यूटर नामक यंत्र से साधित है। (अर्थात् सभी कार्य कम्प्यूटर के माध्यम से लिखे और पढ़े जाते हैं) कागज बनाने के उद्योग में वृक्षों का उपयोग होने से वे वृक्ष काटे जाते थे, परन्तु कम्प्यूटर के अधिक उपयोग से वृक्षों का कटना कम हो जाएगा।

देश की प्रथम महिला शिक्षिका सावित्री बाई फुले

जनवरी मास की तीन तारीख को 1831 ईस्वी वर्ष में महाराष्ट्र के नयागाँव नामक स्थान पर सावित्री ने जन्म लिया। नौ वर्ष की अवस्था में वह ज्योतिबा फुले महोदय के साथ ब्याही गई। वे भी उस समय तेरह वर्ष के ही थे। यहाँ से आगे उसने आग्रहपूर्वक अंग्रेजी भाषा का भी अध्ययन किया। सन् 1848 ईस्वी में पुणे नगर में सावित्री ने ज्योतिबा महोदय के साथ कन्याओं के लिए प्रदेश के प्रथम विद्यालय को आरम्भ किया। उस समय वे केवल सत्रह वर्ष की थी। सन् 1851 ईस्वी में छुआछूत से तिरस्कृत समुदाय की बालिकाओं के लिए अलग से उसने दूसरा विद्यालय आरम्भ किया। सामाजिक कुरीतियों का सावित्री बाई ने प्रबल विरोध किया। विधवाओं के सिर मुण्डन के निराकरण के लिए वह स्वयं नाई लोगों से मिली। 'महिला सेवामण्डल' व 'शिशु हत्या प्रतिबन्धक गृह' इत्यादि संस्थाओं की स्थापना में फुले दम्पति का योगदान महत्वपूर्ण है। सावित्री ने अनेक संस्थाओं का प्रशासन कुशलता से संचालन किया। अकाल और प्लेग के समय उसने पीड़ित लोगों की बिना थके हुए और निरंतर सेवा की। महारोग के प्रसार के समय सेवा में लीन वह स्वयं असाध्य रोग से ग्रस्त होकर 1897 ईस्वी में मृत्यु को प्राप्त हो गई। उनका दो काव्यों का संकलन है - 'काव्यफुले' और 'सुबोधरत्नाकार'।

मकर सक्रांति का महत्व

इस दिन पवित्र नदी में स्नान किया जाता है।
वस्त्र स्नान के बाद दान में जूते, तिल, गुड़, गरम वस्त्र,
कंबल वगैरह दिये जाते हैं।
इस दिन तिल का प्रयोग किया जाता है। तिल का विशेष
धार्मिक महत्व है।
कुंवारी और सुहागन महिलाएँ हाथ के कंगन दान करती हैं।
मकर सक्रांति से जुड़ी कुछ और बातें-
मकर सक्रांति साल का पहला सबसे बड़ा त्यौहार है।
यह त्यौहार सूर्य के दक्षिण से उत्तर गोलार्द्ध में प्रवेश करने
की खासियत को मनाता है।
यह हिंदू धर्म का एकमात्र ऐसा त्यौहार है जो और कैलेंडर
के मुताबिक मनाया जाता है।
अलग-अलग राज्यों में इस त्यौहार को अलग-अलग नामों
से जाना जाता है।
इस दिन से शुभ काम शुरू हो जाते हैं।

मेहनत की कमाई

एक अमीर बाप का बेटा आलसी और निर्लज था। एक दिन पिता ने उसे कुछ कमा कर लाने को कहा। लड़का अपनी माँ के पास मित्रते कर एक रुपये का सिक्का ले आया और अपने पिता को सौंप दिया। पिता सब कुछ समझ गया था। उसने बेटे को वह सिक्का कुएँ में डालने को कहा। लड़के ने झट से उसे कुएँ में फेंक दिया। अगले दिन पिता ने लड़के से फिर कुछ कमा कर लाने की बात कही। अबकी बार लड़के ने अपनी बहन से रूपया लाकर पिता को दे दिया तथा पिता के कहने पर उसे भी कुएँ में डाल दिया। अगले दिन पिता ने माँ-बेटी को घर से बाहर भेज दिया, और लड़के से कमाकर लाने की बात कही। बेटा दिनभर घर सुस्त बैठा रहा। अंत में शाम के समय वह कुछ काम ढूँढ़ने के लिए बाजार में गया। वहाँ पर एक सेठ ने अपना सामान घर पहुँचाने के बदले उसे चवन्नी दी। लड़का थक गया था। उसका शरीर दर्द कर रहा था। रात में उसने वह चवन्नी अपने पिता को दे दी। पिता ने उसे फिर कुएँ में डालने की बात कही। इस पर लड़के को गुस्सा आ गया। उसने कहा यह मेरी मेहनत की कमाई है। अनुभवी पिता समझ गया था कि बेटे को मेहनत की कमाई का मतलब समझ आ गया था। अगले ही दिन उसने अपना सारा व्यापार लड़के को सौंप दिया। शिक्षा - मेहनत करने से ही जीवन सफल होता है।

हम पंछी एक डाल के

हम पंछी एक डाल के
उड़ते उस नीले आकाश में,
उड़ना तो पड़ता है, सबको एक दिन,
कभी-कभी छोड़ना भी पड़ता है
उस डाल को एक दिन
डाल नहीं डालों से बना था वो पेड़
तुम बैठे थे हर डाल पर
तुमने सीखा था हर डाल पर,
डाल से उड़कर तुम्हें एक नई दुनिया मिली
बहुत ऊँचा उड़ना उस नीले आकाश में अब,
पर कभी भूल मत जाना उस डाल को,
क्योंकि पंछी थे हम एक डाल के।

पापा

घुटने रेंगना तो मैंने खुद ही सीखा था,
पर पैरों पे चलना तो मैंने आप से ही सीखा है,
साइकिल की चैन चढ़ाना तो मैंने खुद ही सीखा था,
पर उस पहली साइकिल को चलाना तो मैंने आपसे ही सीखा था
ढूँढा तो मैंने बहुत था,
पर पापा जैसा कोई ना मिला।
हाँ बचपन में आपसे थोड़ा डरता था,
पर जिन्दगी के डरों से आगे बढ़ना तो मैंने आपसे ही सीखा है
ऊपर वाले ने तो बस दुनिया में भेजा था,
पर इस दुनियादारी की समझ को तो मैंने आपसे ही सीखा है
ढूँढा तो मैंने बहुत था,
पर पापा जैसे कोई ना मिला।
अपनी ख्वाइशें पूरी करते तो मैंने सबको देखा था,
पर अपनी जेब खाली कर मेरी ख्वाइशें पूरी करते मैंने आपको ही देखा है,
कामयाबी से अपनी मैंने लोगों को जलते देखा था,
पर कामयाबी से मेरी मैंने खुश होते आपको देखा है,
ढूँढा तो मैंने बहुत था,
पर पापा जैसा कोई ना मिला।

सूरज और चाँद की कहानी

एक दिन सूरज और चाँद आपस में बातचीत कर रहे थे। सूरज बोला, “मैं तो दिन भर चमकता हूँ, सबकी नजरें मुझ पर होती हैं।”
चाँद मुस्काया और बोला, “तुम सही हो, लेकिन मैं रात को चमकता हूँ, जब सब शांत होते हैं। लोग मुझे भी बहुत पसंद करते हैं, क्योंकि मैं उनकी रातें रोशन करता हूँ।”
सूरज थोड़ा सोचकर बोला, “तुम सही कहते हो, हर समय और हर जगह अपनी-अपनी अहमियत होती है।”
हर किसी का समय और स्थान होता है, और हर किसी की अपनी अहमियत होती है।

माता-पिता

ऊंगली पकड़ कर चलना सिखाते हैं
गलतियों पर वो हमें समझाते हैं
हमारे बीमार पड़ने पर
उलझन में वो पड़ जाते हैं
रूठ जाने पर हमें मनाते हैं
छोटी-बड़ी सब बात जान जाते हैं
माता-पिता बच्चों की खातिर
पूरी दुनिया से लड़ जाते हैं।
